## **Sport And The Color Line:**

Sport and the Color Line Patrick B. Miller, David K. Wiggins, 2004-06 The essays presented here examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports

**Sport and the Color Line** Patrick B. Miller, 2004

Sport and the Color Line Patrick B. Miller, David K. Wiggins, 2004-06-01 The year 2003 marks the one hundredth anniversary of W E B Du Bois Souls of Black Folk in which he declared that the color line would be the problem of the twentieth century Half a century later Jackie Robinson would display his remarkable athletic skills in baseball s great experiment Now Sport and the Color Line takes a look at the last century through the lens of sports and race drawing together articles by many of the leading figures in Sport Studies to address the African American experience and the history of race relations The history of African Americans in sport is not simple and it certainly did not begin in 1947 when Jackie Robinson first donned a Brooklyn Dodgers uniform The essays presented here examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports What are today s black athletes doing in the aftermath of desegregation or with the legacy of Muhammad Ali s political stance The essays gathered here engage such issues as well as the paradoxes of corporate sport and the persistence of scientific racism in the athletic realm

*The Enduring Color Line in U.S. Athletics* Krystal Beamon, Chris M. Messer, 2013-11-12 Sports are an integral part of American society Millions of dollars are spent every year on professional collegiate and youth athletics and participation in and viewing of these sports both alter and reflect how one perceives the world Beamon and Messer deftly explore sports as a social construction and more significantly the large role race and ethnicity play in sports and consequently sports influence on modern race relations This text is ideal for courses on Sport and Society as well as Race and Ethnicity

**Sports and the Racial Divide** Michael E. Lomax, 2011-03-11 With essays by Ron Briley Michael Ezra Sarah K Fields Billy Hawkins Jorge Iber Kurt Kemper Michael E Lomax Samuel O Regalado Richard Santillan and Maureen Smith This anthology explores the intersection of race ethnicity and sports and analyzes the forces that shaped the African American and Latino sports experience in post World War II America Contributors reveal that sports often reinforced dominant ideas about race and racial supremacy but that at other times sports became a platform for addressing racial and social injustices The African American sports experience represented the continuation of the ideas of Black Nationalism racial solidarity black empowerment and a determination to fight against white racism Three of the essayists discuss the protest at the 1968 Olympic Games in Mexico City In football baseball basketball boxing and track and field African American athletes moved toward a position of group strength establishing their own values and simultaneously rejecting the cultural norms of whites Among Latinos athletic achievement
