Chapter Seven: New and Improved. God saw all that he had made, and it was very good, and there was evening and there was morning, the sixth day. By the seventh day, God had finished the work he had been doing, so on the seventh day he rested from all his work, and God blessed the seventh day and made it holy because on it he rested from all the work of creating that he had done. Genesis 2:1-3. Though you cannot know the totality of it, there are several conclusions you can draw from Scripture that give clues to understanding the Will of God: o God's Will is irrefutable o God's Will is good o God's Will is acceptable o God's Will is perfect o God's Will is already done. In order to gain insight into

this you must follow the instructions of Jesus and look beyond the appearances to what is real Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind Then you will be able to test and approve what God's will is his good pleasing and perfect will Romans 12:2 To begin to discover what God's will for you is let us go all the way back to the beginning in Genesis the first chapter you find God busy preparing a place for you On the First Day God created heaven and the first day's work is the calling of light or wisdom into expression Light represents intelligence and darkness represents undeveloped capacity Symbolically these are day and night Charles Fillmore Mysteries of Genesis P 14 On the Second Day God created the firmament the expanse of sky to separate the waters above aspiration from the waters below desire and God said Let there be an expanse firmament between the waters to separate water from water So God made the expanse and separated the water under the expanse from the water above it and it was so God called the expanse sky and there was evening and there was morning the second day Genesis 1:6-8 The second step in creation is the development of faith or the firmament the waters represent the unestablished elements of the mind unexpressed possibilities in mind There must be a firm starting point or foundation established This foundation or firmament is faith moving upon the unformed capacities of Spirit consciousness the divine Logos God as creative power gives forth the edict Let there be a firmament the first step or day in creation involves light or understanding and the second step faith in the knowing quality of mind Mysteries of Genesis P 16-17 On the Third Day God divided the waters below into dry land and seas the mineral kingdom as a provision for the growth of the vegetable kingdom and the land produced vegetation in bountiful supply all with the means of reproducing and continuing the creation process and God said Let the water under the sky be gathered to one place and let dry ground appear and it was so God called the dry ground land and the gathered waters he called seas and God saw that it was good Then God said Let the land produce vegetation seed bearing plants and trees on the land that bear fruit with seed in it according to their various kinds and it was so the land produced vegetation plants bearing seed according to their kinds and trees bearing fruit with seed in it according to their kinds and God saw that it was good and there was evening and there was morning the third day Genesis 1:9-13 The third step in creation is the beginning of the formative activity of the mind called imagination This gathers the waters together unto one place so that the dry land appears Then the imagination begins a great multiplication of forms and shapes in the mind Mysteries of Genesis P 18 On the Fourth Day God created the sun the greater light the moon the lesser light and the stars Thus was provided a source of Light and energy All of this in preparation for what is to come next and God said Let there be lights in the expanse of the sky to separate the day from the night and let them serve as signs to mark seasons and days and years and let them be lights in the expanse of the sky to give light on the earth and it was so God made two great lights the greater light to govern the day and the lesser light to govern the night He also made the stars God set them in the expanse of the sky to give light on the earth to govern the day and the night and to separate light from darkness and God saw that it was good and there was evening and there was
