

Which

Use "which" in clauses that provide additional, non-essential information about a noun, often set off by commas.

It is used When a clause follows a preposition, "which" is the correct choice.

That

Use "that" in clauses that are essential to the meaning of the sentence, specifying a particular noun without the sentence would lose its intended meaning.

"That" is used without preceding commas, indicating that the information following is crucial to understanding the subject.
