She Is A Tree of Life Jennifer Suzanne Abbott,2023-12-29 *She Is A Tree of Life* A Divine Journey with the Inner Child is a heartwarming tale of a young girl who discovers the importance of compassion and community This touching story follows the journey of the girl as she learns valuable lessons from an unlikely source a tree Through her experiences she meets a boy who helps her integrate what she has learned and bring people together This engaging story is perfect for anyone looking to reconnect with their inner child and rediscover their sense of wonderment With its relatable characters charming plot and inspiring message about kindness *I am a Tree* is sure to leave you feeling uplifted Join Jennifer as she takes us on this captivating adventure as she explores the power of her inner wisdom empathy and compassion in bringing people closer together If you re looking for an enchanting story that leaves you feeling inspired long after reading it *I am a Tree* is just what you need A Powerful and Transformational 9 page children s book about diversity and inclusion that warm your heart and keep you in anticipation This is a story of a young girl who is inspired by her curiosity about a Tree She realizes that the Tree has wisdom to share and learns that it is not just a tree but that she is just like that tree in many ways She realizes that we were not meant to be alone and hidden away from the world and that we all have a purpose She learns who she is and what her purpose is by spending time with the tree She calls The Tree of Miracles She also learns how to let go when she gives the tree an opportunity to bring miracles to everyone that hugs it She wanted others to be given the same miracle she had experienced I hope my story inspires you to keep striving towards your true calling and to believe that you can live your life feeling confident and safe to express your true self and abilities Each and everyone of us has something unique to share and when we allow ourselves to explore it we realize it is this very unique thing that we were afraid to express is in fact what gives birth to our true authentic self and embodiment of the true purpose we were created for We should never diminish or downplay our role in this world We may feel it is insignificant but just like a Christmas tree if one light stops working the tree is never the same and sometimes when one goes out it creates a short in the others connected to it You may just be that light that is leading the others in that group that is a smaller group part of a larger group that is

connected to the source light of creation What if your sole purpose is to just be you and shine your light so others know where to go it may seem like a small role to have in this world but knowing how important your light is for others also can sometimes be the motivation you need to try again When it comes to your life your happiness your right to live and experience your full potential trying again is not a failure trying again is a strength and a source of inspiration for others To keep trying when you have no physical proof that anything you are striving for will ever come true this is faith And each time you try again God is developing in you the courage to lead the strength to keep going and the embodiment of His wisdom which can then be shared as a light of hope to others because it is your story your personal life experiences and obstacles that you overcame as opportunities to grow that share the REAL testimony for how truly loved you are and that it is possible to change our unwanted circumstances if we are willing to believe with a burning passion of our desire to fulfill our goals and most importantly we keep trying in the midst of hardships This is the type of story that can transform your disbelief into belief instantly It can turn your fear into gratitude as you feel God s love all around you and receive the truth that there is no way of measuring or defining this love that is always flowing through you
