Transparency in Information and Governance J. Jay Choi, Heibatollah Sami, Suk-Joong Kim, 2012-10-17 For this volume we have collected 12 original research papers dealing with various issues relating to transparency This topic spans many disciplines beyond accounting and finance intersecting economics law and management embracing sociology and political science and offering opportunities for creative interdisciplinary research We hope this v

Knowledge Communication: Transparency, Democracy, Global Governance Claudiu Mesaros, 2011-06-30 Knowledge communication is a subject intensely discussed nowadays as there is much buzz in the academia about the crisis of scientific authority Fundamental research but also popular culture special magazines traditional books find increasingly rarer common terms with new audiences like web 2.0 practitioners and various multi media consumers There are even pedigree cultured people that seem to accept no more traditional communicating supports and act conflictually towards them Some voices claim that general audiences are superficial and consumerist but on the other hand many speak about lack of openness for the general audience from scientists themselves The audience of science is therefore fundamental and all the papers in this volume touch it in many ways Another direction that will be consistent with all these papers along the book is the knowledge as a resource for cultural and regional policies tourism industry and so forth Transparency globalization regionalization have no meaning without distinctive specters of regions and local cultures that assert themselves besides traditional European countries [Transparency, Public Relations and the Mass Media](#) Katerina Tsetsura, Dean Kruckeberg, 2017-01-12 This book is about media transparency and good faith attempts of honesty by both the sources and the gate keepers of news and other

information that the mass media present as being unbiased Specifically this book provides a theoretical framework for understanding media transparency and its antithesis media opacity by analyzing extensive empirical data that the authors have collected from more than 60 countries throughout the world The practice of purposeful media opacity which exists to greater or lesser extents worldwide is a powerful hidden influencer of the ostensibly impartial media gate keepers whose publicly perceived role is to present news and other information based on these gate keepers perception of this information s truthfulness Empirical data that the authors have collected globally illustrate the extent of media opacity practices worldwide and note its pervasiveness in specific regions and countries The authors examine from multiple perspectives the complex question of whether media opacity should be categorically condemned as being universally inappropriate and unethical or whether it should be accepted or at least tolerated in some situations and environments

Transparency and Secrecy
Suzanne J. Piotrowski,2010-01-01 Gaining access to government information is a perpetual concern of citizens This is due in large part to the relationship between transparency and the issues of ethics corruption administrative malfeasance and accountability The last few years have proven that governmental transparency is a burgeoning academic subfield spurred on by contemporary political events and attention generated by the popular press This reader addresses the topics of governmental transparency and secrecy and includes original discussion classic readings and primary source documents Transparency and Secrecy is organized according to a theoretical model fully developed in the introduction Governmental transparency is the degree to which access to government information is available through various channels These avenues of access to information include governments proactively releasing information freedom of information type requests open meetings and whistleblowing and leaks The reader addresses each of these components as well as values that compete with openness such as privacy security and efficiency The chapter discussion sections begin with the presentation of cases to make the material relevant to students The cases together with the review of the literature help readers understand how each aspect of transparency is relevant to contemporary public policy debates The discussion sections include a brief summary of the included articles and place these readings within the scholarship at large Integrative study questions suggested class projects recommendations for case studies movies and supplemental reading all make Transparency and Secrecy ideal for classroom adoption

The Transparency Paradox Ida Koivisto,2022 Transparency has become an unquestionable good in modern society spreading from its origins in governance to most arenas of the modern world But is it always good This book turns a critical eye towards transparency deconstructing its theoretical preconceptions and seeking a more nuanced view of what it means to be transparent

[This Obscure Thing Called Transparency](#) Emmanuel Alloa,2022-03-31 The paradoxical logic of transparency and mediation Transparency is the metaphor of our time Whether in government or corporate governance finance technology health or the media it is ubiquitous today and there is hardly a current debate that does not call for more transparency But what does this word actually stand for and what are the

consequences for the life of individuals Can knowledge from the arts and its play of visibility and invisibility tell us something about the paradoxical logics of transparency and mediation This *Obscure Thing Called Transparency* gathers contributions by international experts who critically assess the promises and perils of transparency today *Transparency in Global Change* Burkart Holzner, Leslie Holzner, 2006 An examination of the quest for information exchange in an increasingly international open society *Transparency in Global Change* discusses the reasons for the recent increase in public desire for transparency and the byproducts this transparency can produce *What is Meaning?* Lady Victoria Welby, 1903 *The Principles and Practice of Interior Decorating* Leon Rene Pescheret, 1925 **The Chemical Forces** Thomas Ruggles Pynchon, 1871 Gives tests of coals from Blockton AL Oak Creek and Sopris CO Harrisburg IL Heller KY Saginaw MI Van Houton NM Scott Haven PA La Follette TN Page WV and Hanna WY **Introduction to Chemical Physics** Thomas Ruggles Pynchon, 1873 *Introduction to Chemical Physics*, 1874 *Hardwicke's Science-gossip*, 1874 **Host Bibliographic Record for Boundwith Item Barcode 30112118457412 and Others**, 1874 **Science-gossip**, 1874 *The Sketch*, 1916 **The Photographic Times**, 1876
