**Morning Ritual Guide: How To Wake Up Everyday Happy, Productive & Motivated, Build Self Discipline, Increase Positive Energy & Develop Success Habits** Tom Norman, 2014-12-11 Morning Ritual Guide How To Wake Up Everyday Happy Productive Motivated Build Self Discipline Increase Positive Energy Develop Success Habits This book contains proven steps and strategies on how to be productive and to be successful with your day to day life This book also provides tips on how to be happy and on how you can harness inner peace Also the contents of this book provide proven steps on how to be the best you that you can be After reading this book surely your life will have a 180 turn from having boring mornings to having awesome ones Remember your day is shaped by the things you do the moment you wake up Here Is A Preview Of What You'll Learn Why Start Your Day Right A Cup of Happiness A Dose of Positivity A Leap of Faith Carpe Diem Much much more Start Your Day Right What do you do the moment you wake up Do you start your day by checking messages on your phone Or by checking your news feeds from different social media sites on your laptop Or by doing nothing because you don't really have any time for any morning rituals because you're late for work or school Or you simply woke up late and have nothing to do but sleep again Sounds familiar right You may be a night owl but being a morning person is not so bad According to researchers whatever you do first thing in the morning actually affects the whole day ahead You may be wondering how Let's put it this way you're a writer and you're starting a new book but you find it hard to start writing because you can't seem to

make up your mind or better yet you have no springboard In another context you're an entrepreneur and you're starting out on a new venture but then you're having a hard time since you don't have enough resources Just like a good book having an awesome springboard or a successful business having enough resources you too must have an awesome springboard and enough resources so that your day would end up being an awesome one Here are some of the springboards or resources you ought to have Say a Prayer Prayer is the ultimate way for starting your day right When you start and end your day with a prayer you will have a peaceful heart and a peaceful soul Your prayer does not have to be lengthy and full of sugar coated words Just pray to be thankful for another chance in life and to pray for strength to hold on through all the challenges you are currently facing and for all the challenges that are to come Pray with a sincere heart and surely you will be heard Prayer is not asking It is a longing of the soul It is daily admission of one's weakness It is better in prayer to have a heart without words than words without a heart Mahatma Gandhi *Living Simply* Sally McGraw, 2019-01-01 Twenty first century minimalism is an increasingly mainstream response to global environmental crises such as climate change the garbage glut fast fashion and other manifestations of the harmful impact of consumerism Originally founded in the art world in the decades after World War II minimalism has evolved into an Earth friendly lifestyle focusing on the three Rs reducing recycling and reusing and on simplifying individual needs to reduce one's carbon imprint manage anxiety and depression and prioritize human interaction over the impulse to acquire for the sake of acquisition Hands on activities how to tips and profiles of practicing minimalists offer real world examples for incorporating minimalism into your life

**Emotional Intelligence: How To Quickly Develop Your Emotional Intelligence, Complete Guide To Improving Your Emotional Intelligence Today**, 2015-02-03 Emotional Intelligence How To Quickly Develop Your Emotional Intelligence Complete Guide To Improving Your Emotional Intelligence Today Read on your PC Mac smart phone tablet The ability to control and express our own emotions is important and so is our ability to respond interpret and understand the emotions of people around us Experts define this ability as Emotional Intelligence This book contains proven steps and strategies on how to improve your emotional intelligence including the five key skills to make it work effectively Also provided in this book are the five characteristics of emotional intelligence that are essential in attaining true leadership improving it while at work and for parents a quick guide to nurturing emotional intelligence for your children Here Is A Preview Of What You'll Learn An Overview on Emotional Intelligence The 5 Skills of Emotional Intelligence Nine Ways on How to Improve Emotional Intelligence The Role of Emotional Intelligence While At Work Emotional Intelligence's Role in Effective Leadership Nurturing Emotional Intelligence among Children Much much more Emotional Intelligence also known as EQ is the person's ability to manage use identify and understand emotions in optimistic ways to overcome struggles have compassion with others resolve conflict relieve stress and communicate effectively EQ creates an impact in various aspects of our lives such as the way we behave and interact with other people If you have a high EQ you can recognize your own emotional state as well

as others Your EQ serves as your level of understanding the emotional aspect of relating with people in order to establish genuine relationships achieve greater success at work and live a more fulfilling life Why EQ Is Very Important As we all know it s not only the smartest people that are the most fulfilled and successful in life Perhaps you know someone who is 100% academically inclined but he or she doesn t know how to value personal relationships Having intellectual intelligence or IQ is not enough to become successful in life An above average IQ can get you to college true But in the end it s your EQ that will help you handle the emotions anxiety and stress of college life especially during examinations Emotional intelligence affects Your relationship with others By controlling and understanding your emotions you ll be able to express how you understand and feel the emotions coming from your family friends and work colleagues Also this allows you to communicate with them more effectively and develop a meaningful work and personal life Your mentality Unmanaged stress creates impact in your mentality making you susceptible to depression and anxiety If you cannot manage or understand your emotions there is a good chance that you will suffer from mood swings which can ruin work or personal relationships and leave you feeling isolated Your physical being If you are unable to overcome stress this can lead to severe health problems Unmanaged stress speeds up the aging process contributes to infertility raises blood pressure suppresses the body s immune system and increases the risk of stroke and heart attack In line with this the crucial step to improving your EQ is by learning how to manage stress levels in your body
