Strategic Thinking Paperback:

Learning to Think Strategically Julia Sloan, 2024-06-27 Strategic thinking has become a core capability for business leaders globally. Now in its fifth edition, this comprehensive text is an original primer for how successful strategists learn to think strategically. It delineates and defines strategic thinking as an advanced conceptual cognitive capability focusing on the nonlinear and informal nature of strategic thinking. The book highlights the role of informal learning, underscores the relevance of engaging in the arts, and has global application for those tasked with making strategy in this rapidly changing world. This edition has been fully updated to include a new chapter on AI and strategic thinking, as well as expanded coverage of the critical reflective process and the challenges of introducing strategic thinking across cultures. Additional pedagogical features have been incorporated, including more discussion questions and exercises to engage debate and reflection, additional scenarios, and case vignettes. **Learning to Think Strategically** is vital reading for MBA, strategy, leadership development, and executive education students. Its practical nature also makes it valuable for business and policy executives, as well as for managers and emerging leaders looking to develop their strategic thinking skills. Online resources include PowerPoint slides, a test bank, and video clips.

Strategic Focus Cecilia Lynch, 2016-08 Too often, leaders just don't know where to start planning for the future of their business. They usually start with the familiar: internally, operationally, and incrementally focused. This is the wrong place to start. From two decades plus of leading successful custom consulting engagements for corporations, entrepreneurial business, and non-profits, Cecilia Lynch, principal of Focused Momentum, and author of **Strategic Focus: The Art of Strategic Thinking**, is finally making it easy to lead strategy development with confidence. **Strategic Focus** is your first step in preparing your strategic thinking about the future with clarity. This new book demystifies how to think strategically about your business to enable you to craft a winning strategy with the outside in approach. This book will guide you through a series of exercises that create a simple, straight-forward process to form the premise for the future success of your enterprise. You, too, can lead truly stimulating and important conversations that will result in a significant evolution and marketplace momentum for your company. By the time you are done with **Strategic Focus: The Art of Strategic Thinking**, you will be well-equipped and confident to facilitate strategy in your own business, with your team, and/or with your board members.

Strategic Focus Cecilia Lynch, 2016-08-01 Bundle includes the **Strategic Focus** Book and **Entrepreneurs Workbook**.
