Lindemann,1990-06 Lists and briefly annotates published books articles collections references and audio visual works and doctoral theses that appeared in English in 1987 The sections cover bibliographies and checklists theory and research teacher education administration and social roles curriculum and testing measurement and evaluation Primarily for college teachers Paper edition unseen 14 95 Annotation copyrighted by Book News Inc Portland OR **Current Index to Journals in Education** ,1998 The Psychology of Reading Mildred Coen Robeck,Randall Reed Wallace,1990 The need to know why as well as how children and youth respond as they do to reading instruction has guided the selection of this book s content The second edition has retained and elaborated upon the three major themes previously presented that reading is a linguistic process that motivation the affective domain may be as important in learning to read as the cognitive domain and that the reality of learning theory is to be found in the mechanisms of the brain where information is mediated and memory traces are stored The text integrates views from cognitive psychology psycholinguistics and neuropsychology as they relate to reading and writing A learning motivation model is provided to present associative learning conceptualization and self directed reading in a hierarchical relationship with distinct cognitive and affective components The distinction between beginning and proficient reading is maintained throughout the text A Literary Reading of John 5 Francisco Lozada,2000 A Literary Reading of John 5 is a distinctive and critical study of John 5 from a literary and ideological perspective This scholarly

monograph employs a text as construction reading strategy that examines both the role of the implied reader within the narrative context of John 5 and the impact of John 5 on the implied reader It argues that John 5 can be read as a reconstructed coherent and meaningful text centered on the conflict of belief and unbelief which through the device of a failed anagnorisis can lead to an ideology of superiority for the implied reader

**Cooperative Learning and the Collaborative School** Ronald S. Brandt, 1991 Cooperation in the classroom counteracts well established routines and values that nearly all adults and many educators take for granted Education remains a fiercely competitive enterprise and individualistic notions of professionalism predominate Despite the continued importance of independence initiative and personal achievement today's schools are experimenting with consideration sharing collegiality and commitment to group goals This volume contains readings from recent editions of Educational Leadership on cooperative learning and collaborative schools beginning with Robert Slavin's introduction and Ronald Brandt's insistence that cooperation is not un-American The articles in the second section discuss various cooperative learning models including Team Assisted Individuation Cooperative integrated Reading and Composition and Group Investigation The third section is devoted to implementation of cooperative learning and the fourth section highlights the idea of schools as caring communities developed through group work The sixth section provides ideas on how to get started and the seventh section summarizes controversies among various researchers The final section presents articles on the collaborative school focusing on developing teacher collegiality cooperative professional development and school improvement efforts The volume ends with an extensive annotated bibliography divided into nine parts MLH
