## Street Poetry:

**The Street Poetic** Phoenix,2019-01-29 What is the street poetic It is many things A movement A possibility A poem An expression Poetry should be as free and open as the streets As kind as caring for a person experiencing homelessness With the street poetic the possibilities are endless So much to do and to see So much to share So much to express It s a world of life and rhythm music and joy Open yourself up to the street poetic See the joy in words and theory and technique See what s possible Write your own street poem Create your own movement It begins today with your words Your poetry Your street poetic *Street Poetry Is My Everyday* Jai FromDaWay,2016-02-18 This poetry book isn t your typical book of poetry it is for anyone who needs to escape the confines of the prison they find themselves in I was inspired to write my most personal and deepest thoughts and feelings as a means to escape imprisonment The words metaphors similes and idioms were the keys that freed me from the bleak reality I was confined to I found liberty solace and peace in writing **Street Poetry** Wise Counsel,2006-01-01 Street Poetry was written through vision It was a calling from a higher being something like a gift while I was serving my sentence Every line was like breathing a different kind of air Every word demanded attention and believe me when I tell you attention it got It made violent men listen in peace It touched the hearts of many but it also hurt some of the ones I love It revealed things that even I m not ready for and sometimes it scares me My own words of advice taught me how to be humble and patient A robber would have to kill me for this that s my hand on the book it would be written in blood It s a chess players dream It s a table of many fruits it brings strength to the weak It makes the petty get major It also helps you move with a cooler walk and helps the thinkers think It gives hope to the ones that are down in their luck Every line tells a story it s a song sung by fat ladies For some its treasure even profitable Its life painted with a clear overseeing Its love but at times it could also be violent The streets move at a very fast pace you may feel you re in the race when you re reading this poetry *Fates Worse Than Death* Brian St.Claire-King,2003-02 A role playing game of suspense horror and hope in 2080 on the streets of Manhattan **Library of Congress Subject Headings** Library of Congress,Library of Congress.
