what does it mean to be human this engaging study attempts to overcome the divide between secular and religious understandings of spirituality A Distinct Twenty-First Century Pentecostal Hermeneutic Harlyn Graydon Purdy,2015-06-22 Why another book about biblical interpretation hermeneutics First this is not just another book about hermeneutics It deals specifically with hermeneutics as practiced by Pentecostals rather more accurately as hermeneutics should be practiced by Pentecostals The book presents a distinct Pentecostal hermeneutic that moves away from exclusive use of historical grammatical methodology The hermeneutic presented here employs an eclectic methodology and a quadratic strategy Scripture Spirit trained leader and community in the proposed hermeneutic are shown to work together to produce an interpretation that engages both creative imagination and authorial intent The text offers pastors professors and laity alike a method and approach that will allow them to interpret Scripture from a clearly Pentecostal perspective An important addition to the book is an outline for an undergraduate course instructing students in this distinct Pentecostal hermeneutic
