# Texts For Nothing

**Maxwell Charles Leonard Arnaud**

## **Texts For Nothing:**

**Samuel Beckett's "Texts for Nothing".** Barry Charles Smith, 1978      **Stories and Texts for Nothing** Samuel Beckett, 2007-12-01 This volume brings together three of Nobel Prize winner Samuel Beckett's major short stories and thirteen shorter pieces of fiction that he calls texts for nothing. Here, as in all his work, Beckett relentlessly strips away all but the essential to arrive at a core of truth. His prose reveals the same mastery that marks his work from *Waiting for Godot* and *Endgame* to *Molloy* and *Malone Dies*. In each of the three stories, old men displaced or expelled from the modest corners where they have been living bestir themselves in search of new corners. *Told You Can't Stay Here*, they somehow doggedly inevitably go on. Includes *The Expelled*, *The Calmative*, *The End*. **Texts for Nothing 1-10**      **Texts for Nothing and Other Shorter Prose, 1950-1976** Samuel Beckett, 2012-10-04 This is the last of three volumes of collected shorter prose to be published in the Faber edition of the works of Samuel Beckett, which already includes a volume of early stories *The Expelled*, *The Calmative*, *The End*, *First Love*, and of late stories *Company*, *Ill Seen, Ill Said*, *Worstward*, *How Stirrings Still*. The present volume contains all of the short fictions, some of them no longer than a page, written and published by Beckett between 1950 and the early 1970s. Most were written in French and they mostly belong within three loose sequences: *Texts for Nothing*, *Fizzles*, and *Residua*. The edition also includes two remarkable independent narratives, *From an Abandoned Work* and *As the Story Was Told*. All of these texts, whose unsleeping subject is themselves, demonstrate that the short story is one of the recurrent modes of Beckett's imagination and occasions some of his greatest works. He would like it to be my fault that words fail him; of course, words fail him. He tells his story every five minutes, saying it is not his there's cleverness for you. He would like it to be my fault that he has no story; of course, he has no story that's no reason for trying to foist one on me.      Samuel Beckett's Texts for Nothing Elliot Krieger, 1977      **Stories and Texts for Nothing** Samuel Beckett, 1980 This volume brings together three of Nobel Prize winner Samuel Beckett's major short stories and thirteen shorter pieces of fiction that he calls texts for nothing. Here, as in all his work, Beckett relentlessly strips away all but the essential to arrive at a core of truth. His prose reveals the same mastery that marks his work from *Waiting for Godot* and *Endgame* to *Molloy* and *Malone Dies*. In each of the three stories, old men displaced or expelled from the modest corners where they have been living bestir themselves in search of new corners. *Told You Can't Stay Here*, they somehow doggedly inevitably go on.      Samuel Beckett and BBC Radio David Addyman, Matthew Feldman, Erik Tønning, 2017-03-30 This book is the first sustained examination of Samuel Beckett's pivotal engagements with post-war BBC radio. The BBC acted as a key interpreter and promoter of Beckett's work during this crucial period of his getting known in the Anglophone world in the 1950s and 1960s, especially through the culturally ambitious *Third Programme*, but also by the intermediary of the house magazine *The Listener*. The BBC ensured a sizeable but also informed reception for Beckett's radio plays and various adaptations, including his stage plays, prose, and even poetry. The audience that Beckett's works reached by radio almost certainly exceeded in size his readership or theatre audiences at the

time In rethinking several key aspects of his relationship with the BBC a mix of new and familiar Beckett critics take as their starting point the previously neglected BBC radio archives held at the Written Archive Centre in Caversham Berkshire The results of this extended reassessment are timely and in many cases quite surprising for readers of Beckett and for scholars of radio late modernism and post war British culture more broadly

**A Companion to Samuel Beckett** S. E. Gontarski,2010-03-08 A collection of original essays by a team of leading Beckett scholars and two of his biographers Companion to Samuel Beckett provides a comprehensive critical reappraisal of the literary works of Samuel Beckett Builds on the resurgence of international Beckett scholarship since the centenary of his birth and reflects the wealth of newly released archival sources Informed by the latest in scholarly critical and theoretical debates A valuable addition to contemporary Beckett scholarship and testament to the enduring influence of Beckett s work and his position as one of the most important literary figures of our time

**Samuel Beckett and the Terror of Literature** Christopher Langlois,2017-06-09 Samuel Beckett and the Terror of Literature addresses the relevance of terror to understanding the violence the suffering and the pain experienced by the narrative voices of Beckett s major post 1945 works in prose The Unnamable Texts for Nothing How It Is Company Ill Seen Ill Said and Worstward Ho Through a sustained dialogue with the theoretical work of Maurice Blanchot it accomplishes a systematic interrogation of what happens in the space of literature when writing and first of all Beckett s encounters the language of terror thereby giving new significance ethical ontological and political to what speaks in Beckett s texts a

**Samuel Beckett: the Complete Short Prose, 1929-1989** Samuel Beckett,1995 Gathers the Nobel Prize winning poet and dramatist s short prose into one volume that affords the reader a view of Beckett s development as an artist

*Writing from the Margins* Catriona Ryan,2015-06-18 The Irish short story tradition occupies a unique space in world literature Rooted in an ancient oral storytelling culture the Irish short story has underwent numerous transitions from 19th century Anglo Irish writers such as William Carleton through to the 20th century s groundbreaking impact of George Moore s The Untilled Field George Moore s work inspired the next generation of Irish Catholic writers such as Joyce Frank O Connor and Benedict Kiely who foregrounded the backbone of the

*Texts for Nothing* Samuel Beckett,1974

*Imagination in an Age of Crisis* Jason Goroncy,Rod Pattenden,2022-06-01 This book explores the vital role of the imagination in today s complex climates cultural environmental political racial religious spiritual intellectual etc It asks What contribution do the arts make in a world facing the impacts of globalism climate change pandemics and losses of culture What wisdom and insight and orientation for birthing hope and action in the world do the arts offer to religious faith and to theological reflection These essays poems and short reflections written by art practitioners and academics from a diversity of cultures and religious traditions demonstrate the complex cross cultural nature of this conversation examining critical questions in dialogue with various art forms and practices and offering a way of understanding how the human imagination is formed sustained employed and expanded Marked by beauty and wonder as

well as incisive critique it is a unique collection that brings unexpected voices into a global conversation about imagining human futures

**Beckett the Shape Changer** Katharine Worth, 2021-05-18 The essays in this book first published in 1975 suggest how best to approach Beckett how to read him how to get closer to the concrete experience offered by this most concrete of writers It aims to bring out the full diversity of Beckett's art as dramatist and story teller His astonishing flexibility and inventiveness is stressed throughout either in studies of single novels or from the whole range of the fiction and stage drama or from the experiments in other media the solitary film the radio plays Beckett's bilingualism one of the strangest aspects of his Proteanism is examined through a comparison of the French and English texts of some of his stage plays The emphasis of the essays is literary rather than philosophical they explore narrative and dramatic processes the strange partial transitions between them the fine relations of form and feeling which Beckett aims at through whatever medium he is using and his humaneness expressed through the many nuances of his humour The shorter fiction and the later writings also receive close attention
