## **The 60 Second Christian:**

The 60-second Christian Gary R. Collins, 1984      From Zero to Eternity in 60 Second Wendell Smith, 2004 You can plant a seed in just seconds Have you ever missed that once in a lifetime opportunity for friendship evangelism Do you feel comfortable initiating conversations about what God has done for you Have you ever wished you had a simple statement of faith to make to people in those brief encounters of daily life If you answered yes to any of these you are not alone In this unique message about how to start conversations about God Pastor Wendell Smith offers hundreds of ways to drop spiritual seeds into someone's life by taking advantage of those seemingly insignificant moments that come your way From Zero to Eternity in 60 Seconds Flat takes the intimidation factor out of sharing your faith so that you can gain the confidence to witness and advance the kingdom of God      **The Man Minute** Jason Cruise, 2015-11-01 Every Man Minute devotional is designed to be read in sixty seconds yet you'll carry the insights you glean into a lifelong journey of spiritual manhood The Man Minute is packaged alongside a DVD featuring hunts each couched in spiritual truths with some of the most recognized hunters on the planet      Christian Advocate, 1917      *Foundations of the World Christian Movement: A Larger Perspective, Reader*,      **Participation and Covenant** Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology      **History of the Development of the Doctrine of the Person of Christ** Isaak August Dorner, 1882      **History of the Christian Church** Philip Schaff, 1888      *The Christian Century*, 1925      The Publishers' Trade List Annual, 1882      *The Primitive Era of Christianity as Recorded in the Acts of the Apostles, 30-63 A.D.* Clyde Weber Votaw, 1898      **The 60 Second War** Dennis Mark Burgess, 2015-09-01 What are Sermonettes Articles written for church bulletins are often sermonettes in essence They contain an introduction body or situation that is being addressed a Biblical scriptural equivalent and a wrap up or point tying the illustration and scripture together in a meaningful way Similar articles often begin with a joke or comedic opening leading to a serious discussion and pointed statement for the audience See Wikipedia article [www.wikipedia.org/wiki/Sermonette](http://www.wikipedia.org/wiki/Sermonette) And almost without exception I

am preaching to myself     Ancient America Kurt Peter Karfeld,1950 The colour photographs graphically illustrate the monuments of the ancient civilisation of the Aztecs the Mayas and of Mexico and some of the present day inhabitants of their sites in Peru Chile Mexico etc Cover     *The Andover Review* ,1885     Judaism and Christianity Crawford Howell Toy,1890
