

The image features a purple background. On the left side, there is a wooden cross with a black rectangular block at its base. In the center, a light-colored, thorny branch, possibly a palm frond, is positioned vertically. The text "FIFTH SUNDAY OF LENT" is written in white, bold, sans-serif capital letters across the middle of the image, overlaid on the branch and the purple background.

The Fifth Week:

The Fifth Week William J. O'Malley, 1996 What is THE FIFTH WEEK Every Jesuit novice makes a long retreat the full Spiritual Exercises of St Ignatius Loyola One month long this retreat is divided into four flexible weeks of meditation the first week is on the principle and foundation of life the second on the life of Jesus the third on the passion and death he suffered and the fourth on the new resurrected life of the children of God And the fifth week is the rest of the Jesuit s life The Fifth Week by William J O Malley SJ has sold over 26 000 copies since its first publication in 1976 Its pages have encouraged young men listening for their vocations and intrigued countless other readers with stories of Jesuit saints and martyrs as well as ordinary Jesuits each fulfilling his unique mission whether as carpenter poet mathematician or mystic each living according to his individual talents and interests but all for the greater honor and glory of God Because the accidentals of Jesuit life and training have evolved in the past two decades this new edition updates the original by adding James Martin s new afterword in which he explores recent developments in Jesuit formation Father O Malley has updated other chapters to reflect educational initiatives and training programs launched in the wake of Vatican II The body and soul of this Second Edition of The Fifth Week are still the stirring accounts of the lives and deaths of Ignatius the founder and Xavier the missionary to the East of Campion Cizek and Chardin in Europe of Br beuf and Lord and Pro in the West We follow O Malley s personal journey through questions and doubts to self knowledge and the dynamic equilibrium of his commitment to life in the Society of Jesus With humor and tolerance he records the drama and daily grind with sundry companions The Fifth Week is a great companion for prospective Jesuits it asks with them do you want to be a priest a religious priest a Jesuit Seven Weeks after the Buddha's Enlightenment Osmund Boppearachchi, 2025-10-27 This groundbreaking volume explores a revelatory Andharan style relief recently discovered in Sri Lanka It adds to the growing body of archaeological evidence of important exchanges between the Buddhists of Sri Lanka and their co religionists in the Krishna Valley This relief is the most ancient document attested to date depicting the events that took place during the first seven weeks following the enlightenment of the Buddha Its unique iconography leads the author to closely examine contradictions between literary evidence and visual representations of what is known as the sambodhi or perfect awakening of the Buddha According to the classic Buddhist texts the Mah vastu and the Lalitavistara the Buddha spent seven weeks after his enlightenment near the Bodhi tree By contrast the Buddhist canonical text the Vinaya Pitaka describes this period as only four weeks long Sri Lankan and Burmese artists have preferred to depict the seven week account Furthermore the seven week motif depicted in this Andharan relief follows the chronological order given in the important P li texts the Nid nakath and the Mah bodhi Vamsa The textual confusions and artistic contradictions uncovered by this volume present a bigger picture of the complex ways in which the story of the Buddha s life was imagined in the earliest period of recorded Buddhist history The present study is the first in a series of books by this author on Buddhist art **The Roman Catholic Lectionary and the Bible** Mark G.

Boyer,2024-06-28 The bishops attending the Second Vatican Council 1962 1965 decreed that the treasures of the Bible were to be opened for Roman Catholics by presenting a larger part of the Bible over three years The first one volume Lectionary a collection of biblical texts appointed for worship on given days what ultimately became four volumes plus a supplement in English was published in Latin on September 30 1970 The result of people seeing four volumes consisting of more pages than most Bibles was the erroneous thinking that they heard read the whole Bible every three years The Lectionary edits the Bible Biblical topics offensive to modern readers are omitted Powerful biblical women are ignored Biblical prophetic books are chopped by piecing together verses There is no application of modern biblical analysis The biblical passages presented in the Lectionary have been chosen to fit the liturgical year even though the liturgical year did not exist when the Bible was written The purpose of this book is to present some sobering statistics about the biblical texts found and not found in the Roman Catholic Lectionary reach conclusions about them and suggest alternate biblical texts for use in the Lectionary

Manuscripts in the Library of Pembroke College, Cambridge and the

Fitzwilliam Museum Kari Anne Rand,2006 The Index of Middle English Prose when completed will be a monumental achievement REVIEW OF ENGLISH STUDIES Two very different collections are surveyed in this volume The manuscripts of Pembroke College Cambridge are typical of a medieval foundation Its core of books is a working library of that period representing the interests and needs of its Fellows very often given or bequeathed by them to the College The collection was substantially enlarged in 1599 through the gift by William Smart of Ipswich of a large number of manuscripts which until the Reformation had belonged to the Abbey of Bury St Edmunds By contrast the emphasis of the Fitzwilliam Museum collection

is to a great extent art historical At its heart are the manuscripts bequeathed by Lord Fitzwilliam in 1816 These were supplemented throughout the 19th century by a series of gifts and bequests culminating in 1904 in the largest bequest to date from Frank McClean of some 203 manuscripts In spite of the different character of the two collections both contain a range of Middle English prose items among them Chaucer s Boece a complete Wycliffite sermon cycle and several Paston letters all from Pembroke the Anlaby Cartulary the Canutus pestilence tract the Brut Lydgate s Serpent of Division and Nicholas Love s Mirror of the Blessed Life of Jesus Christ from the Fitzwilliam KARI ANNE RAND is Professor of Older English Literature at the University of Oslo Citizens in the Making Through a Program of Pupil Activity Walter L.
