equipment and even clothing Greene refused to be drawn into pitched battles save on favorable terms He rebuilt the Southern army in less than a year and adopted daring tactics that defied conventional military wisdom but recaptured from British control most of the Carolinas and Georgia Greene has rarely been accorded his earned place in the history of the American founding in part because of his early death in 1786 when he was just forty three But with Tucker s brief but masterful biography Greene finally gets his due The Papers of General Nathanael Greene: 18 October 1778-10 May 1779 Nathanael Greene,1976 Volume 13 This thirteenth and final volume of the series devoted to the papers of General Nathanael Greene includes correspondence to and from Greene from the end of the Revolutionary War up to his death in June 1786 It concludes with an epilogue and an addendum of forty six documents that have come to light since the volumes in which they would have appeared have been published **The Papers of General Nathanael Greene: 1 January 1777-16 October 1778** Nathanael Greene,1976 **The Papers of General Nathanael Greene** Richard K.
