The Jade Chalice:

The Jade Chalice Rudolph J. Girandola, 2004-06-01 The Jade Chalice in fiction lifts a veil obscuring historic reasons why the Roman Catholic Church must today pay the price of worldwide clergy scandals The fictional characters endure a Church in 1938 that refuses to look into itself regardless of finding even then shocking revelations of homosexuality pedophilia adultery and fornication The Jade Chalice underscores the vulnerability of clergy and religious training It describes a system built on absolute authority over its faithful and its aversion for reform It questions a widening disparity of Faith with Protestants Asians Arabs and Jews over doctrine and avenues for salvation The Jade Chalice is a classic novel delving also into Chinese history and culture The Jade Chalice portrays a story of Catholicism's mystery beauty power and weaknesses concluding that no one is immune to personal human passions especially those men and women who claim to hold in their hands the only hope for spiritual and eternal reward
