The Yellow Sign Robert W. Chambers,2014-02 The Yellow Sign Who is the King in Yellow Can you solve the 100 year old mystery of The Yellow Sign By Robert W Chambers The Yellow Sign is a fictional symbol or glyph first described in Robert W Chambers book of horror short stories The King in Yellow 1895 The King in Yellow never fully describes the shape and purpose of the Yellow Sign Nonetheless The Repairer of Reputations one of the stories in the collection suggests that anyone who possesses even by accident a copy of the sign is susceptible to some form of insidious mind control or possession by the King in Yellow or one of his heirs The stories also suggest that the original creator of the sign was not human and possibly came from a strange alternate dimension that contains an ominous and ancient city known as Carcosa H P Lovecraft and many of his imitators were great admirers of Chambers book and incorporated many of his characters and symbols into their own works In the latter day Cthulhu Mythos developed by August Derleth and other Lovecraft imitators the Yellow Sign is the sign of Hastur and is used by members of his cult to identify one another In addition according to many of these works one of Hastur s avatars is known as the King in Yellow The first edition of The King In Yellow was published in 1895 by F Tennyson Neely and featured a picture of a lizard on the cover with a stylized symbol in the upper left corner The symbol has mistakenly been cited as the Yellow Sign but it is a monogram of F T N the publisher s initials The same monogram and lizard appear on other early editions of books published by F Tennyson Neely as part of their Neely s Prismatic Library series
