*Their Blood Cries Out (revised)* Troy Newman, Cheryl Sullenger, 2003-01-01      [Blood Cries Out](#) A. J. Swoboda, 2014-11-11

John McConnell Jr was the famed founder and visionary of Earth Day McConnell's vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell's religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell's parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection to the origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth's life and people In the spirit of McConnell today's Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice      *His Blood Cries Out* Charles Stebbing, 2019-04-28 In *His Blood Cries Out* Charles shares the Powerful Message of what the blood of Jesus does for those who believe in Him The book is divided into two parts Part one takes a natural look at blood to underscore the importance of blood and part two examines what the shed blood of Jesus does for those who believe in Him The Bible reveals to us that blood can speak According to Charles Jesus blood does not only speak but cries out that the price for salvation is paid in full it is finished His blood declares among other things that believers in Him are Forgiven made fit for heaven have direct access into the amazing grace and glorious presence of God and share in all the wealth of His Kingdom Charles also encourages his readers to give heed to the voice of Jesus blood crying out This will make them victorious over the enemy of their souls and will empower them to reign with Christ in their lives Believing the message of His blood is both liberating and spiritual empowering      **Their Blood Cries Out** Paul A. Marshall, Lela Gilbert, 1997 Today more than 200 million Christians around the world suffer imprisonment abuse and even death because of their faith Yet most Americans never hear their stories In *Their Blood Cries Out* Paul Marshall reveals the reality of this present day persecution revealing what we can do to help these brothers and sisters in Christ      [Rethinking Life](#) Shane Claiborne, 2023-02-07 Drawing on Scripture church history and his own story Shane Claiborne explores how a passion for social justice issues surrounding life and death such as war gun ownership the death penalty racial injustice abortion poverty and the environment intersects with our faith as we advocate for life in its totality Many of us wonder how to think about and act on issues of life and death beyond abortion and the death penalty yet the heated debates in our churches and the confusion of our own hearts sometimes feel overwhelming What does a balanced Christian view of what it means to be pro life really look like Combining stories theological reflection and a little wit with a Southern accent activist Shane Claiborne explores the battle between life and death that goes back to

the Garden of Eden Shane draws on his childhood growing up in the Bible Belt his own change of perspective on how to advocate for life and his years of working on behalf of all people to help us Learn from the Bible and the early church about valuing life Deepen our understanding of what a pro life stance can look like Discover ways to discuss topics that are dividing our culture and churches Find encouragement when we feel politically homeless Renew our hope that there is a good way forward even in difficult times We need a new movement that stands up for life without exceptions This moving and incredibly timely book creates a larger framework for thinking about God s love and our faith as we embrace a consistent ethic that values human life from womb to tomb *The Death of Jesus in Matthew* Catherine Sider Hamilton,2017-06-16 In

this book Catherine Sider Hamilton introduces a new lens through which to view the death of Jesus in Matthew Using the concept of innocent blood she situates the death of Jesus within a paradigm of purity and pollution one that was central in the Hebrew Scriptures and early Judaism from the Second Temple to the rabbis Hamilton traces the theme of innocent blood in Matthew s narrative in relation to two Jewish traditions of interpretation one in Second Temple literature reflecting on the story of Cain and Abel the other chiefly in rabbinic literature on the blood of Zechariah Innocent blood yields a vision that resists the dichotomies *intra muros* vs *extra muros* rejection vs redemption that have characterized the debate a vision in which both judgment and redemption an end of exile may be true Innocent blood offers a new approach not only to the meaning of Jesus death in Matthew but also to the vexed question of the Gospel s attitude toward contemporary Judaism

*Freeing God's Children* Allen D. Hertzke,2006 With the dawning of the 21st Century a new human rights movement burst unexpectedly onto the global stage Initially motivated by concern for persecuted Christians around the world unlikely alliances emerged and the movement grew to encompass a broader quest for human rights Now American evangelicals provide grassroots muscle for causes joined by a wide array of activists from Jews to Catholics feminists to Pentecostals African American leaders to Tibetan Buddhists in the most important human rights movement since the end of the Cold War Given unprecedented insider access author Allen D Hertzke charts the rise of this faith based movement for global human rights and tells the compelling story of the personalities and forces clashes and compromises strategies and protests that shape it In doing so Hertzke shows that by bringing attention to issues like religious persecution Sudanese atrocities North Korean gulags and sex trafficking the movement is shaping American foreign policy and international relations in ways unimaginable a decade ago

**The Soul in the Blood** Emmanuel Eroumé A Egom,2025-11-28 For the life of the flesh is in the blood Leviticus 17 11 Your blood is not silent It remembers every joy every grief every rhythm of your soul In *The Soul in the Blood* cardiologist and rhythm theorist Dr Emmanuel Eroum A Egom takes readers into the body s sacred river the bloodstream where spiritual and emotional patterns leave measurable traces in biology Merging Scripture physiology and patient narratives he shows how the blood reflects what the soul believes and the spirit sustains Drawing from the CAMERS framework Dr Egom decodes the four rhythm disruptions that shape both soul and physiology Fragmentation when inner

contradiction breeds inflammation Bypass when suppressed truth tightens the bloodstream Erosion when long depletion flattens vitality and cortisol rhythm Entropy when identity collapses and coherence dissolves Through case studies he reveals that each emotional and spiritual state grief peace resentment rest has a biological echo blood pressure heart rate variability and cytokines speak a language the Spirit already understands You will discover how The soul s sky shapes the blood s river a theology of flow Every vessel carries both covenant and memory Scientific biomarkers like HRV IL 6 and fibrinogen echo unseen dissonance Forgiveness and coherence restore measurable balance to the body s rhythms The Soul in the Blood is not a medical manual it is a mirror for those who feel fine on paper but know their body carries unspoken stories When you learn to listen to your blood s testimony you will hear the same truth the psalmist once sang He restores my soul This is medicine for both science and spirit a journey into the rhythm that makes life whole again **Destined to Reign Devotional, Gift**
