TWISTED OBSESSION. LISA-MARIE. WILSON,2025 *Mrs D is Going Without* Lotta Dann,2014-06-25 Lotta Dann was in trouble her fun drinking habit had slowly morphed into an obsessive hunger for wine One bottle a night was never quite enough When she tried to cut down she found it nearly impossible to have an alcohol free day Everyone around could see her drinking but no one realised what a serious problem it was She was high functioning fun loving Lotta not some messy hopeless drunk Only Lotta knew how sick and twisted her thinking about wine had become Desperate and miserable she was falling deeper and deeper into a boozy hellhole and running out of ideas about what she could do to stop it What s a girl to do when her beloved wine becomes the enemy Here s what Lotta did She stopped drinking and secretly started a blog that charted the highs and lows of learning to live without alcohol Mrs D was anonymous honest and as Lotta would discover surrounded by people who would help her on her journey and whom she could help in return **Guide to the Cinema of Spain** Marvin D'Lugo,1997-11-25 This guide to Spanish film documents the film industry s interpretation of the isolating

effects of the cultural traditionalism of the early twentieth century to the expanding international popularity of such films as Trueba's *Belle Époque*, Aranda's *Amantes* and Bigas Luna's *Jamón Jamón* and such actors as Victoria Abril, Carmen Maura and Antonio Banderas. This is the first volume in a new Greenwood series that discusses historically and critically films, directors and actors in film industries throughout the world. Each volume will include a detailed historical introduction and will provide an in-depth treatment of the most important films and individuals involved in the industry. End-of-entry bibliographies provide sources for further reading and appendixes provide additional useful information. The Guides will be valuable to scholars, students and film buffs. Spanish cinema is in many ways a microcosm of the tensions and conflicts that have shaped the evolution of the nation over the course of this century. Spanish film as a cultural institution is rarely divorced from the political and social currents that have shaped the larger Spanish culture, torn as it was between tendencies of localism and internationalism. It languished in industrial and artistic underdevelopment for many years under Franco; it is now, however, experiencing international recognition while remaining rooted in the specificity of its own popular cultural styles.
