Two Much:

Two Much! Donald E. Westlake, 2011-10-25 DIVA ruse to bed a pair of twins quickly grows complicated divDIV
divDIVArt doesn't mean to tell Liz Kerwin that he has a twin He's on Fire Island and she's so beautiful that he's willing to say anything for a chance at getting rid of her clothes So when Liz mentions an identical twin sister Art blurts out that he has a twin too His name is Bart he says and describes the most boring man he can dream up Liz thinks he would be perfect for her sister Betty divDIV divDIVWhen Art meets Betty who is of course just as lovely as her twin she asks about his brother Hoping for a chance at the family fortune Art dons a pair of glasses slicks back his hair and soon has Bart engaged to the sister As his simple lie spins out of control Art learns that wooing sisters is never as easy as it seems div Just Two Much Cassandra Dee, It's too much I gasped But in the end two men felt so nice I went to Vegas for a bachelorette party We were supposed to go to a Celine Dion concert but instead we went to Lucky Paradise Two where men dance for customers It was just one time In the back In the dark With a set of hot twins But what happens when they turn out to be my stepbrothers What happens in Vegas stays in Vegas right Unless they've left me with a baby Hey Readers The Manning Brothers series continues with Caden and Caleb's story The twins are billionaires masquerading as go go dancers and the results are steamy Put on your seatbelts because our sassy heroine finds true love in the most unlikely place of all As always the heat is on HIGH You'll adore the story I promise Xoxo Cassandra **If You Feel Too Much** Jamie Tworkowski, 2015 A celebration of hope wonder and what it means to be human The essays in this book invite readers to believe that it's okay to admit to pain and it's okay to ask for help Women Give Men Too Much Power Charlotte Hall, 2010-04-23 A thought provoking enlightening and empowering read awaits readers especially women as author Charlotte Hall shares how Women Give Men Too Much Power and lose themselves in the process Because some men tend to forget to tell the truth always the author takes on this task to help her fellow females stand up against or let go of things or in this case men that try to destroy and disrupt their lives This book is about real issues that face women and family It gives a perspective focusing on the ugliness that men don't want to confront being the head of the household keeping in laws in check being intimidated by successful women if men would become successful in the things of God they would know how to treat women right loving and respecting her like royalty and more There are only two types of men the faithful and the unfaithful There's no in between And in this book the author talks about purpose and addresses when to run for the hills This is a personally intimate talk woman to woman heart to heart She shares all the important concerns from knowing who the man is the type of man he is the abuse and healing and so much more One of my strongest attributes is the fact that I can take accountability for my failures The people who fooled me who lied to get what they wanted who didn't love me or could care less if I live or die sometimes it hurt At other times I avoided the obvious so I didn't have to deal with it hoping that it would go away but it doesn't Confession will destroy pride and humble you so you can help others not to make the same mistakes says Hall as she explains the reason she wrote this book
