Bunyan,1878 **Words I Love to Recite** Charles Santiago,2024-02-15 The experience of the afterlife is normally
considered to take place after death Death is seen as a wall of partition between those living and those departed Dead and
gone are words often used to describe the departed The writer of these poems was at his wife s bedside when she took her
last breath Anyone observing the horror and desperation the author expressed at that moment would have concluded that he
truly believed his wife was dead and gone In fact he did believe she was dead and gone A grief counselor suggested to the
new widower that he keep a journal of his experience He started keeping a journal which from the start was a dialogue
between him and his departed wife The prose dialogue soon became peppered with poems The widower began to notice that
there were sometimes correlations between what was written in the poems and his daily experience The poems and his daily
experience became for the new widower proof enough that the afterlife can be experienced this side of the grave *The*
