Were Czechs:

A History of Czechs (Bohemians) in Nebraska Rose Rosický,1929 **Czechoslovakia** Michael B Wallace,2019-05-20
Czechoslovakia only came into existence in 1918 But the history of the Czechs and Slovaks and the lands they inhabit goes back a long way It is a history that is important for its own sake as well as for the legacy it gave the modern state and the understanding it brings to a study of present day Czechoslovakia It is also a history so rich in ma **Encyclopedia of Immigration and Migration in the American West** Gordon Morris Bakken,Alexandra Kindell,2006-02-24 Through sweeping entries focused biographies community histories economic enterprise analysis and demographic studies this Encyclopedia presents the tapestry of the West and its population during various periods of migration Examines the settling of the West and includes coverage of movements of American Indians African Americans and the often forgotten role of women in the West s development **Hitler and Czechoslovakia in World War II** Patrick Crowhurst,2013-10-24 The invasion of Czechoslovakia by Nazi Germany in March 1939 helped to precipitate Europe s descent into World War II sis months later The move supposedly to protect the Sudeten Germans shocked many in Europe who saw it as a clear statement of intent by Hitler Here Patrick Crowhurst argues that occupation of the Sudetenland and the Czech lands was also crucial to the Nazi war machine The armaments factories and raw materials that Hitler seized accelerated Germany s capabilities Czech tanks would prove crucial in the Ardennes and as the Wehrmacht fought at Stalingrad Armaments Minister Albert Speer was corralling Czech industrial machinery to produce engines aircraft and equipment in support In addition new Slovakian and Czech primary material are used to give a new in depth account of the German reaction to the assassination of Reinhardt Heydrich on the streets of Prague in June 1942 The recriminations were brutal and dovetailed with Hitler s plans for the genocide of Czech Jewry This is a new side of the History of Nazi Europe and argues for the centrality of the Czech occupation in the overall narrative of World War II **The Little Czech and the Great Czech Nation** Ladislav Holý,1996-08-28 When Ladislav Holy precipitately left Czechoslovakia for the UK in 1968 he was already one of the leading anthropologists in Central Europe In the following decades he made important field studies in Africa Since 1986 he has been engaged in research in the Czech Republic and he brings to this timely study of national identity the skills of a seasoned researcher a cosmopolitan perspective and the insights of an insider Drawing on historical and literary sources as well as ethnography he analyses Czech discourses on national identity He argues that there were specifically Czech aspects to the communist regime and to the velvet revolution and paying particular attention to symbolic representations of what it means to be Czech he explores how notions of Czech identity were involved in the debates surrounding the fall of communism and the emergence of a new social system Czechoslovakia Josef Gruber,1924 *The Czechoslovak Republic* ,1920 *The Northwestern Miller* ,1919 **Austrian National Socialism before 1918** Andrew Gladding Whiteside,2012-12-06 This book is an account of the emergence of a National Socialist party from the German nationalist labor movement in the multi

national Austrian empire Made up of unions chiefly concerned with protecting workers of German nationality from the competition of cheap Czech labor the German nationalist labor movement was strongest in Bohemia where the rivalry between Czechs and Germans in the labor market was most acute Much of Austrian industry was in northern Bohemia and as it expanded in the latter half of the nineteenth century large numbers of Czechs moved from the countryside into the industrial centers Many German workers were displaced by the Czech immigrants who were accustomed to lower standards of living and therefore willing to accept lower pay The anger of the German workers developed into an intense hatred of the Czechs the Czechs resented German domination and as a result of the mutual enmity the Socialist international unions split into German and Czech sections Some of these became separate German and Czech nationalist unions Other German nationalist unions grew out of the protective associations that were organized by groups of German workers against the Czech danger Around the turn of the century the leaders of some of the more militant German nationalist unions decided that they could further the members interests more effectively if the unions were affiliated with a political party under their own control collaboration with radical nationalists had proved disappointing
