Unholy Trinity Mark Aarons,John Loftus,1998-06-15 Written in riveting fashion by the coauthors of *The Secret War* Against the Jews Mark Aarons and John Loftus s *Unholy Trinity* tells one of the darkest tales of World War II After the war had ended fearing a surge of Soviet growth the Papacy entered into an espionage alliance with British and American intelligence agents Subsuming justice to the nascent Cold War ideology these three powers ferreted Nazi criminals out of Europe so that they could be used in the supposedly greater fight against Communism The Vatican s Nazi smuggling network was penetrated by Prince Anton Turkul the great Soviet double agent who turned the operations into a sting for his masters in the Kremlin *Unholy Trinity* exposes Turkul s Red Nazi operation for the first time and shows how Kim Philby the infamous British Soviet double agent and his network were nearly sacrificed to preserve Turkul s Vatican operation Exploring the Vatican s role in aiding Nazi criminals to escape punishment for their crimes this book originally published in 1991 first revealed the Vatican Swiss bank connection to Nazi gold and documented the hidden links to Western investors in Nazi

Germany Since its publication major revelations about the role of Swiss banks have confirmed Unholy Trinity's expose of the flight of the Nazi's stolen treasures the new introduction and new final chapters written by Aarons and Loftus for this edition bring the book completely up to date and show how the media have missed the vital Vatican connection in the Swiss bank story Among other things the authors demonstrate that U S and British code breakers were fully aware of the Holocaust as early as 1941 but lied to the Western press that the code breakers bugged the Swiss banks and then buried secrets of Nazi gold transfers to protect U S intelligence chief Allen Dulles and that the Australian British and Canadian governments are still waging a campaign to keep their citizens ignorant about the Nazi war criminals living among them Covering all these topics and more Unholy Trinity is the definitive history of a series of profoundly disturbing cover ups involving the Holy See Allen Dulles the Swiss banks and the remnants of the Third Reich Coates's Herd Book Henry Strafford,1897 Winston S. Churchill: Finest Hour, 1939-1941 Martin Gilbert,2015-04-05 The sixth volume in the official biography A milestone a monument a magisterial achievement Andrew Roberts author of *The Storm of War* Starting with the outbreak of war in September 1939 and ending with the Japanese attack on Pearl Harbor in December 1941 this volume in the epic biography of Winston S Churchill draws on remarkably diverse material from the War Cabinet and other government records to Churchill's own archive and diaries and letters of his private secretariat to the recollections of those who worked most closely with him On the day Hitler invaded Poland Churchill aged sixty four had been out of office for ten years Two days later he became First Lord of the Admiralty in charge of British naval policy and at the center of war direction In May 1940 he became prime minister leading his nation during a time of grave danger and setbacks His first year and a half as prime minister included the Dunkirk evacuation the fall of France the Battle of Britain the Blitz the Battle of the Atlantic the struggle in the Western Desert and Hitler's invasion of Russia By the end of 1940 Britain under Churchill's leadership had survived the onslaught and was making plans to continue the war against an enemy of unlimited ambition and ferocious will One of Churchill's inner circle said We who worked with Churchill every day of the war still saw at most a quarter of his daily tasks and worries Martin Gilbert has pieced together the whole setting in context much hitherto scattered and secret evidence in order to give an intimate and fascinating account of the architect of Britain's finest hour The most scholarly study of Churchill in war and peace ever written Herbert Mitgang *The New York Times* *The Mesrine Conclusion - Revised and Updated International Edition* David Cullen,2009-02-06 1978 Only two people still alive know the dark secret of the British Royal House of Windsor One lies in her dotage in France the other continues to rule the royal household in Britain as she has done for 40 years A robbery in Paris The secret is stolen It must be found at all costs Police enquiries draw a blank They need help There is only one man with the skills to locate the secret Jacques Mesrine France's Public Enemy Number One But there are those that want the secret for themselves and others who will stop at nothing to ensure the secret remains hidden Can Mesrine find the secret before the hunters find him Death treachery and double cross all lead to THE MESRINE CONCLUSION **Conjuring**
