The World Outside Harold MacGrath, 1923 **Behind the Mask** Madhulika Dutta, 2024-04-22 In her latest creation Behind the Mask Madhulika unveils the psychological odyssey of a young woman on a quest for self discovery Amidst these pages she deftly unravels the intricacies of the human psyche weaving a tapestry of authenticity and introspection Madhulika beckons readers into a transformative journey where poetry and psychology intertwine inviting exploration and self discovery Behind the Mask provides a fearless exploration of our deepest fears insecurities obsessions and compulsions The poems deliver a positive message encouraging acceptance of our imperfections and the constructive transformation of our inner struggles Step into a realm beyond the ordinary where darkness serves as the evocative canvas for poetic expression and each line extends a clandestine invitation to plumb the depths of our own complexity Tell me one story how does it feel to die at the hands of the person you thought you killed *I Infinity* Sehar, 2019-02-25 I wrote my first poem in the third grade aged 6

perfectly rhymed and rather inane couplets chronicling the life of a feline with an affinity for lilies and Chile To my nine year old sagacity poetry was just another language assignment an evaluation of my vocabulary and imagination Nevertheless it was a form that caught my fancy a genre that to me was symphony and zephyrs in the arid lands of lengthy dry prose Years on I have often pondered over the true definition of poetry Its archaic hallmark of fixed rhyme schemes structure and meter have been rendered obsolete with the advent of free verse It flows over like a canister of bottled emotions acting both as a salve and matchstick It is raw and potent both eloquent and aggravating a catharsis and epiphany for many Poetry to me is the anchor that keeps me afloat when I am drowning in the deluge of my own thoughts bestowing upon me the wings to unearth my own frontiers This Anthology is a treasured collection of the world through my eyes As you traverse through this book I hope you rediscover memories you may have forgotten and moments buried beneath the sands of time For what is poetry but symphonies in words and a voyage of emotions Sehar 4th January 2019 **PAAS PAAS SHEESHA** Ms ISHRAT UMAR,2023-09-27 GOOD ENGLISH POEM Poetry is a way of writing that attempts to evoke the readers imagination and on her emotions The poet conveys his views in thoughtful arrangement of words by carefully choosing the expressions Poetry is part of art and culture Poetry lifts the veil from the hidden beauty of the world The poet s work reflects his emotions the subject and his deep study In the book of Making The World A Better Place the poetess tries her best to express various aspects of life nature human behavior and ever changing world **Standing on the Promises** Christina M. Whitaker,2012-10-01 Christinas life was spiraling out of control until a series of near death experiences radically altered her path Desperately searching for purpose she discovers the key that can unlock any door the key of unshakable faith Journey with her and discover how to unlock the door of your destiny Discover how to follow your dreams against all odds and obtain the promises for your life If you are one who has ever wondered how to obtain the promises of God for your life this book was written with you in mind written in faith to ignite your faith and remind you that God has not forgotten about you All that He has promised you is sure This book will help you unlock a greater place of unshakable faith to fulfill your destiny and excel in your endeavors Discover how to plant your feet firmly on the promises of God and stand in faith without succumbing to the storms of this life This book can provide you with essential tools to aid you in navigating lifes peaks valleys and every place in between Otto, the Boy at the Window Peter Abeles; Tom Hicks,2004-07-13 As sixty eight year old Peter Abeles confronts his ambivalence over his mother s recent death he laces together his childhood memories of the prewar Austrian aristocracy his Jewish family belonged to the rising tide of hate that engulfed them and their decision to flee and the story of his life in America In trying to come to terms with his personal history and family Abeles looks beyond the immediate horrors of the Holocaust and the Diaspora to some of the more subtle effects on the reconstructed lives that followed He gives a hard honest account of his upbringing by a cold demanding father and an embittered materialistic mother but he frames that account in forgiveness and redemption imagining his dead mother as she receives a treasure box of Sefirot the ten Hebrew

words that allow an individual to know Kabbalah or wisdom Peter Abeles and Tom Hicks have produced an intelligent and edifying memoir that has much to say about exile and immigration about class money love and forgiveness In *Otto the Boy at the Window* they offer readers some hard earned shreds of Kabbalah Praise for *Otto the Boy at the Window* This unforgettable book opens with the death of Abeles mother in Long Island when he was 68 which prompts him to reflect on his Viennese childhood in the 1930s His mother was strict and possessive and his father was unyielding The father owned a thriving wholesale shoe business and the family had servants and tutors Abeles relives the Anschluss of March 12 1938 when the Nazis took control of Austria and he remembers mobs of Nazi sympathizers destroying synagogues and Jewish owned properties during Kristallnacht in November of that year In November 1939 the family sailed from Rotterdam to New York with only 10 left from their fortune They went to Chicago where two sponsoring families met them Abeles recounts his subsequent service in the U S Air Force his success in the business world and his love of family life in this story of reconciliation and forgiveness which is told with grace and insight
