Epstein,2010-06 In Jan 2006 Sec of State Rice announced the transformational development initiative to bring coordination and coherence to U S aid programs She created a new Bureau which developed a Strategic Framework for Foreign Assistance to align aid programs with strategic objectives The Framework became a guiding force in the FY 2008 and FY 2009 budgets as well as the FY 2010 budget request Numerous studies have addressed various concerns and provided recommendations regarding U S foreign aid policy funding and structure Of the 16 recommendations only enhancing civilian agency resources has the support of all of the studies covered in this report This report is a review of selected studies written between 2001 and 2008 Table **Embassies Grapple to Guide Foreign Aid** ,2007 *U.S. Economic Foreign Aid* David S. Porter,2019-07-05 Originally published in 1990 this volume is a comprehensive study of United States foreign aid allocation from 1961 1983 and the significance it has for US Foreign Policy as a whole As well as developing a theoretically consistent measure of poverty for the research the book also examines the relationship between bilateral foreign aid and multilateral foreign aid A number of theoretical issues in comparative politics international relations US domestic institutional decision making and the development of political and economic institutions are explored **Strategic US Foreign Assistance** Rhonda L. Callaway,Elizabeth G. Matthews,2016-04-01 One major dilemma regarding US foreign policy is when and how the US should address human rights around the globe and what responsibility exists for the US to promote human rights in the countries that receive US aid Does US policy for foreign assistance really address human rights or is it merely another instrument in the US foreign policy toolbox This insightful book addresses several key themes and questions revolving around the complex nature of US foreign policy and human rights It examines US foreign policy and human rights as well as the evolution of US assistance and includes empirical evidence and case studies of Plan Colombia Turkey and the war on terror India and Pakistan It closes with a look at the future of foreign aid **U.S. Foreign Aid** Elliott R Morss,2019-03-13 This book provides a critical assessment of the relationship between development philosophy and the activities of various economic assistance programs during recent decades The authors begin by describing the evolution of development thinking from the Marshall Plan era to the present emphasizing the changing magnitude focus and objectives of su *Foreign Aid Reform* Denise Fantone,2009-12 In Jan 2006 to better align foreign assistance programs with U S foreign policy goals the Sec of State appointed the Administrator of the U S Agency for Internat l Dev t USAID to serve concurrently as Dir of Foreign Assistance and gave it

authority over all Dept of State and USAID foreign assistance funding and programs The Office of the Dir of Foreign Assistance State F was given responsibility for reforming foreign assistance by among other things consolidating State and USAID foreign assistance processes This report 1 examines State F s key efforts to consolidate State and USAID foreign assistance processes and 2 identifies any key challenges that affect State F s reform of foreign assistance Illustrations

Foreign Assistance United States. General Accounting Office,1993 *Composite Report* United States. President's Committee to Study the United States Military Assistance Program,1959 **Management Information Guide** ,1973 *Congressional Record* United States. Congress,1971 **Creative Involvement** Yizhou Wang,2017-05-18 This book puts forward the concept creative involvement for China s diplomacy Besides defining the concept and discussing various supportive propositions ideas and theories concerning it the book makes many relevant case studies and tries to set a number of scenarios discussing the possible entry points for creative involvement *Stockpiling Strategic Materials* Glenn Herald Snyder,1966 Revision of thesis Columbia University **Foreign Aid Reform** United States. Government Accountability Office,2009 In January 2006 to better align foreign assistance programs with U S foreign policy goals the Secretary of State appointed the Administrator of the U S Agency for International Development USAID to serve concurrently as Director of Foreign Assistance DFA and gave the DFA authority over all Department of State and USAID foreign assistance funding and programs The Office of the Director of Foreign Assistance State F was given responsibility for reforming foreign assistance by among other things consolidating State and USAID foreign assistance processes GAO was asked to 1 examine State F s key efforts to consolidate State and USAID foreign assistance processes and 2 identify any key challenges that affect State F s reform of foreign assistance GAO evaluated budget planning and other documents and interviewed agency officials in Washington D C Ethiopia Haiti Jordan Kenya Peru and Ukraine GAO is making seven recommendations to enhance State USAID organizational transformation interagency coordination and collaboration planning processes and workforce management State and USAID generally acknowledged or agreed to consider six of the seven recommendations but asserted they had met the one related to regional planning GAO maintains this recommendation is valid it is important that an agency clearly capture all relevant programs and activities in its planning processes *Foreign Assistance* U S Government Accountability Office (G,U. S. Government Accountability Office (,2013-06 GAO discussed management problems at the Agency for International Development AID and whether it is adequately meeting its foreign economic assistance responsibilities GAO found that 1 the AID management approach and organizational capacity have not kept up with the increasingly diffuse scope of the foreign assistance program and the expanding number of countries in which AID operates 2 AID has expanded its operations 3 some small AID programs have had such a negligible effect on a country s development that the effect may not justify AID in country presence 4 studies have shown that AID has not effectively managed and has not been held accountable for achieving results from a diffuse foreign assistance program 5 opening new overseas offices has

further burdened the AID operating expense budget 6 the fragmentation of the foreign assistance program is largely due to a lack of consensus among the many groups that are concerned with the AID mission or have a stake in its services and resources 7 congressional involvement has hampered AID ability to use foreign aid as leverage to secure needed economic reforms and target assistance to the most pressing development needs of recipient countries 8 AID has not been able to fully implement the strategic management concepts that would enable it to better focus and concentrate its limited resources 9 AID maintains that its decentralized organizational structure and management approach are appropriate given the widely varying development and assistance needs of the numerous countries in which it operates and 10 lack of management controls has impaired AID program effectiveness *Development Policies and Strategies* Papua New Guinea,1990

International Political Economy Thomas D. Lairson,David Skidmore,1997 INTERNATIONAL POLITICAL ECONOMY focuses on conflicts and collaborations that occur between nations as each pursues power and wealth through international economic exchange The authors provide a historical overview of the development of the world economy from 1815 to the present helping students understand how and why major economic powers rise and fall This balanced blend of history theory and policy makes the book suitable as a main text for International Political Economy courses or as a supplemental text for an Introductory International Relations course **Foreign Aid and Mutual Security, 1939-1954** ,1951
