## **Strauss Richard:**

The Life of Richard Strauss Bryan Gilliam, 1999-08-19 Richard Strauss saw an empire come and go survived two world wars witnessed the rise and fall of the Weimar Republic endured the period of National Socialism and died the year that Germany was officially divided into two separate states All the while he enjoyed a successful career as composer as conductor of international stature as organizer for the rights of composers and as colleague of and collaborator with some of the most important composers writers and artists of his day This biography covers Strauss s early musical development his emergence as a tone poet in the late nineteenth century his turn to the stage at the beginning of the twentieth century the successes and failures of the post World War I era the turbulent 1930s and the period of the Second World War and its aftermath *Richard Strauss* Alan Jefferson, 1975 Richard Strauss Michael Kennedy, 1996 And other works that hold the stage to this day His brilliant tone poems for orchestra include such staples of the repertory as *Death and Transfiguration* *Don Juan* *Ein Heldenleben* *Till Eulenspiegel s Merry Pranks* and *Also sprach Zarathustra* source of the famous sunrise music used in the film *2001* A distinguished composer of songs chamber music and ballets as well Strauss was also one of the outstanding conductors of his time directing opera companies in Richard Strauss Norman Del Mar, 2013-12-19 Norman Del Mar 1919 1994 was universally recognised as a leading authority on the music of Richard Strauss and his masterly three volume study of his life and works remains a classic Volume I deals with the years from the composer s birth 1864 to *Der Rosenkavalier* 1912 discussing the early orchestral and chamber music the tone poems and the operas *Guntram* *Feuersnot* *Salome* and *Elektra* Deploying a well nigh encyclopaedic knowledge Mr Del Mar acquits himself brilliantly of his task of disentangling and reassembling the numerous strands that make up the backcloth of poetry and philosophy which Strauss while not always understanding every intricacy yet needed as a constant reference map for his composing The three volumes of this magnificent book should be studied by all lovers of the late romantic music amateurs and professionals alike a monumental achievement *Times Literary Supplement* A brilliant and copiously analytical study a constant fascination *Guardian* **Richard Strauss** Norman Del Mar, 2009-04 Norman Del Mar 1919 1994 was universally recognised as a leading authority on the music of Richard Strauss and his masterly three volume study of his life and works remains a classic Volume I deals with the years from the composer s birth 1864 to *Der Rosenkavalier* 1912 discussing the early orchestral and chamber music the tone poems and the operas *Guntram* *Feuersnot* *Salome* and *Elektra* Deploying a well nigh encyclopaedic knowledge Mr Del Mar acquits himself brilliantly of his task of disentangling and reassembling the numerous strands that make up the backcloth of poetry and philosophy which Strauss while not always understanding every intricacy yet needed as a constant reference map for his composing The three volumes of this magnificent book should be studied by all lovers of the late romantic music amateurs and professionals alike a monumental achievement *Times Literary Supplement* A brilliant and copiously analytical study a constant fascination *Guardian* **Richard Strauss, the Man and His Work** Ernst Krause, 1969

**Richard Strauss** Bryan Gilliam, 1997 As we approach the fiftieth anniversary of Richard Strauss's death scholarly interest in the composer continues to grow Despite what was once a tendency by musicologists to overlook or deny Strauss's importance these essays firmly place the German composer in the musical mainstream and situate him among the most influential composers of the late nineteenth and early twentieth centuries Originally published in 1992 this volume examines Strauss's life and work from a number of approaches and during various periods of his long career opening up unique corridors of insight into a crucial time in German history Contributors discuss Strauss as a young composer steeped in a conservative instrumental tradition as a brash young modernist tone poet of the 1890s as an important composer of twentieth century German opera and as a cultural icon manipulated by the national socialists during the 1930s and early 1940s Individual essays use Strauss's creative work as a framework for larger musicological questions such as the tension between narrative and structure in program music the problem of extended tonality at the turn of the century stylistic choice versus stylistic obligation and conflicting perspectives of progressive versus conservative music This collection will interest Strauss scholars musicologists and those interested in the artistic and cultural life of Germany from 1880 through the Second World War Contributors Kofi Agawu G nter Brosche Bryan Gilliam Stephen Hefling James A Hepokoski Timothy L Jackson Michael Kennedy Lewis Lockwood Barbara A Peterson Pamela Potter Reinhold Schl tterer R Larry Todd Richard Strauss Michael Kennedy, 1999-01-13 Was Richard Strauss the most incandescent composer of the twentieth century or merely a bourgeois artist and Nazi sympathizer For the fifty years since his death on September 8 1949 Richard Strauss has remained dogmatically elusive in the wider body of musical and historical criticism Lauded as nothing less than the greatest musical figure of his time by Canadian musician Glenn Gould in 1962 Strauss also has attracted his share of posthumous epithets in summary an artist who lived off his own fat during his later years As recently as 1995 the English critic Rodney Milnes wrote the court of posterity is still reserving judgment In *Richard Strauss Man Musician Enigma* biographer Michael Kennedy demonstrates that the many varying shades of criticism that have painted this figure in the past half century resemble the similar understandings and misunderstandings held by his contemporaries perceptions that touched almost every aspect of Strauss life and career Introducing his detailed work more as a broad explication than a firm answer to the Straussian riddle Kennedy's scope includes the exuberant extroverted Strauss of young adulthood as well as the phlegmatic and aloof middle aged man who resembled a prosperous bank manager the arch fiend of modernism and the composer who redefined the term a man who professed to lack all spiritual curiosity and a musician who penned the touching ballet *Der Kometentanz* an at times almost humble family man and an artist who claimed to be as interesting as Napoleon and Alexander the Great Kennedy clearly elucidates his enigmatic subject by building his analysis around the few constants in Strauss life his profound admiration for German culture his dependence on his own family for guidance and his Nietzschean total absorption in art This frame offers everyone from Straussian scholars to general readers an insightful and easy to follow biographical

narrative Kennedy also deals at length with Strauss problematic relationship with Nazi authorities detailing his incompatible roles as the father in law of a Jewish woman and as one of the country s leading composers Michael Kennedy is the chief music critic of the London Sunday Telegraph and the author of many books about music *General Catalogue of Printed Books* British Museum. Department of Printed Books,1969 **Fritz Reiner, Maestro and Martinet** Kenneth Morgan,2010-10-01 This award winning book now available in paperback is the first solid appraisal of the legendary career of the eminent Hungarian born conductor Fritz Reiner 1888 1963 Personally enigmatic and often described as difficult to work with he was nevertheless renowned for the dynamic galvanization of the orchestras he led a nearly unrivaled technical ability and high professional standards Reiner s influence in the United States began in the early 1920s and lasted until his death Reiner was also deeply committed to serious music in American life especially through the promotion of new scores In *Fritz Reiner Maestro and Martinet* Kenneth Morgan paints a very real portrait of a man who was both his own worst enemy and one of the true titans of his profession *Behind the Baton* Gerard Schwarz,Maxine Frost,2017-03-01 Amadeus To speak of Gerard Schwarz musician conductor festival organizer gig hopper educator television personality patron and proselytizer of the arts is to tell an exemplary American story You could convey it exclusively in cliches from his industrious emigre parents to his precocious childhood from his ardor and diligence as a prodigy trumpeter to his meteoric rise as a conductor from his unforeseen cross country migration to the gradual construction of a world class orchestra in a city formerly regarded as a cultural backwater from the halls of New York City s High School of Performing Arts to the digital instructor s chair of the All Star Orchestra s Khan Academy course series You could simply recite the numbers over 300 new works premiered over 350 recordings in his discography 14 GRAMMY nominations 4 Emmy awards six ASCAP Awards and hundreds of other honors and laurels You could dazzle and festoon and bewitch with talk of truth and beauty and the pursuit of ever higher forms of artistic expression Or you could tell it Jerry s way *Behind the Baton* is a quintessentially Schwarzzian memoir intrepid forthright risible subtly self assured and entirely unpretentious It offers an intimate inside look at a man whose immense talent is rivaled only by his humility and work ethic a man who for nearly fifty years has strived to leave every orchestra and musician he touched better than when he found them Whether you re a classical music aficionado an orchestra initiate just cutting your teeth or an everyday reader interested in the remarkable story behind an extraordinary man *Behind the Baton* belongs on your nightstand **Catalogue of (printed) music. Music. Accessions, pt.[1]-94** British museum dept. of pr. books,1884 *Modern Drama and Opera* ,1911 **Correspondence Between Richard Strauss and Hugo Von Hofmannsthal** Richard Strauss,Hugo von Hofmannsthal,1927 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1907 *The Trow (formerly Wilson's) Copartnership and Corporation Directory of New York City* ,1909 **The Cambridge Review** ,1908 *Catalog of Music for the Pianola and Pianola Piano* Aeolian Company,1905 *Standard Catalog: Biography Section* H.W.
