Adventure Module U3 The Final Enemy

by Dave J. Browne with Don Turnbull

AN ADVENTURE FOR CHARACTER LEVELS 3-5

At last — an opportunity to avert the threat to the little town of Saltmarsh! The real enemies have been identified — evil, cruel creatures, massed in force and viciously organized. Can the brave adventurers thwart this evil and ensure the safety of Saltmarsh?

The Final Enemy is the final part in a series of three modules designed and developed in the United Kingdom for beginning adventurers with the AD&D™ rules. Its plot follows directly from those of the first two parts (Module U1 — The Sinister Secret of Saltmarsh, and Module U2 — Danger at Dunwater). This adventure can be played by 8-12 characters of experience level 3-5. This module contains large-scale maps, full background information and detailed encounter descriptions for the players and DM.
