**Summary of James Baldwin's The Fire Next Time** Everest Media,2022-03-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I write to you as a brother and a father I have carried your father in my arms and on my shoulders kissed and spanked him and watched him learn to walk I do not know if you have known anyone from that far back but if you have loved anyone that long you gain a strange perspective on time and human pain 2 You were born in America to parents who were not bitter But your countrymen have caused you to be born under conditions not very far removed from those described by Charles Dickens in the London of more than a hundred years ago You were born to be loved and to strengthen you against the loveless world 3 The limits of your ambition were predetermined as you were born into a society that made clear to you from an early age that you were inferior to white people You were not expected to achieve excellence but to make peace with mediocrity

**Nina Simone** David Brun-Lambert,2009 I will die at 70 because afterwards there is nothing but pain And sure enough Nina Simone was 70 years old when she died in the South of France after a lifetime s quest for serenity which forever eluded her Born Eunice Kathleen Waymon in North Carolina at the tail end of the Great Depression she was a precocious child with dreams of becoming the first black classical soloist but was rejected by an elite New York conservatoire she always believed it was because of the colour of her skin She began performing jazz blues and classical songs in a bar to fund her studies taking the stage name Nina Simone in 1954 to prevent her mother finding out she was playing the devil s music In 1958 her rendition of the Gershwin standard I Loves You Porgy became her only US Top 40 hit and her subsequent debut album Little Girl Blue was a success Her passionate belief in racial equality and civil rights saw her become increasingly radicalised in the 1960s addressing the issue on record and on stage in songs such as Mississippi Goddam and her version of Strange Fruit She went into self imposed exile from America in 1970 settling in Barbados and then France Nina Simone recorded over 40 albums wrote some of the best known popular songs in the canon and gave concerts described as quasi religious experiences This is the first biography to tell her whole extraordinary story David Brun Lambert is a highly regarded French writer and broadcaster

**Reinventing Richard Nixon** Daniel E. Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of

Nixon's version of himself contrasted with those who would interpret him differently. He cites reinventions of Nixon from the late 1980s, particularly the museum at the Richard Nixon Library and Birthplace, to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques. And he recounts how celebrants at Nixon's state funeral, at which Bob Dole's eulogy depicted a God-fearing American hero, attempted to bury the sources of our divisions over him, rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president. With dozens of illustrations, Nixon posing with Elvis, the National Archives' most requested photo, Nixonian cultural artifacts, classic editorial cartoons, no other book collects in one place such varied images of Nixon from so many diverse media. These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements.
