The Iron Triangle:

The Iron Triangle Gordon Adams, The Iron Triangle Dan Briody,2011-01-06 A penetrating look at the company at the nexus of big business government and defense The Carlyle Group is one of the largest private equity firms in the world with over 13 billion in funds Carlyle s investments include everything from defense contractors to telecommunications and aerospace companies But there is more to this company than meets the eye Carlyle s executives include heavyweights from the worlds of business and politics such as former secretary of defense and CIA deputy director Frank Carlucci former secretary of state James Baker III former President George Bush former UK Prime Minister John Major and former chairman of the SEC Arthur Levitt Osama Bin Laden s estranged family was personally invested in the group until recently In The Iron Triangle journalist Dan Briody examines a company at the nexus of big business government and defense that according to some sources epitomizes corporate cronyism conflicts of interest and war profiteering This fascinating examination leads readers into a world that few can imagine full of clandestine meetings quid pro quo deals bitter ironies and petty jealousies And the cast of characters includes some of the most powerful men in the world Strap in because this ride could get a little bumpy Dan Briody New York NY is an award winning business journalist whose Red Herring article Carlyle s Way broke the story on the inner workings of the Carlyle Group Briody has appeared on numerous radio and television programs covering the Carlyle Group and has become a primary source for other journalists covering this story Briody s articles have appeared in Forbes Red Herring and the Industry Standard *Introduction to the Policy Process* Birkland,2015-05-18 Thoroughly revised reorganized updated and expanded this widely used text sets the balance and fills the gap between theory and practice in public policy studies In a clear conversational style the author conveys the best current thinking on the policy process with an emphasis on accessibility and synthesis rather than novelty or abstraction A newly added chapter surveys the social economic and demographic trends that are transforming the policy environment *Basics of the U.S. Health Care System* Nancy J. Niles,2011 The health care industry currently provides over 13 million jobs with a projected 27 percent increase over the next decade the largest increase of any other industry Given these trends a basic understanding of the U S health care system is important to students across many disciplines including business law health administration pre medicine nursing allied health public health and more This combination textbook and activity workbook gives students a fundamental understanding of the basic concepts of the U S healthcare system Written with the undergraduate in mind Basics of the U S Health Care System uses simple reader friendly language and features hands on exercises that engage the student in active learning Each chapter offers a vocabulary crossword puzzle a vocabulary exercise real life exercises and Internet exercises *Project Management That Works* Rick A. MORRIS,Brette MCWHORTER SEMBER,2008-08-18 Project management is one of the fastest growing occupations in the world The Project Management Institute has seen membership growth of more than 1000% in the last 10 years But while many of these managers know how to plan a successful project in

theory very few have the practical tools needed to navigate the politics of today's corporate world Project managers need more than just technical skills they need the right communication skills to succeed Filled with real world examples Project Management That Works gives readers the tools they need to communicate with their team as well as stakeholders get their teams to function well run fewer and more productive meetings turn around failing projects utilize data properly to make emotional conversations unemotional know when a project is really done The only book that addresses the real challenges project managers face today this is an accessible and invaluable tool that will show every reader how to accomplish his mission no matter the obstacles

Dewhirst, John David Rausch, 2014-05-14 Presents an A to Z reference guide to individuals events and terms of importance to the United States Congress [The Big Red One](#) James Scott Wheeler, 2007 No mission too difficult no sacrifice too great Duty First For almost a century from the Western Front of World War I to the deserts of Iraq this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One In this first comprehensive history of America's 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation The oldest continuously serving division in the U S Army the Fighting First has consistently played a crucial role in America's foreign wars It was the first American division to see combat and achieve victory in World War I and set the standard for discipline training endurance and tactical innovation One of the few intact divisions between the wars it was the first army unit to train for amphibious warfare During World War II the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on through the Hurtgen Forest the Battle of the Bulge the Ruhr Pocket and deep into Germany By war's end it had developed successful combined arms regimental combat teams and made advances in night operations Wheeler describes the First Division's critical role in postwar Germany and as the only combat division in Europe during the early Cold War After returning to the United States at Fort Riley Kansas the division fought valiantly in Vietnam for five trying years successfully protecting Saigon from major infiltration along Highway 13 while pioneering air mobile operations It led the liberation of Kuwait in Desert Storm and kept an uneasy peace in Bosnia and Kosovo Along the way Wheeler illuminates the division's organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers

Meticulously detailed and engagingly written *The Big Red One* nimbly combines historical narrative with astute analysis of the unit's successes and failures so that its story reflects the larger chronicle of America's military experience over the past century

What Is the Iron Triangle, and How Has It Changed? Julien Pollack, 2018 Purpose The Iron Triangle also called the Triple Constraint is a central concept to project management research and practice representing the relationship between key performance criteria However there is disagreement about which criteria should be represented on the vertices of this triangle The purpose of this paper is to explore which concepts are part of the Iron Triangle and how these concepts have changed over time Design methodology approach This paper explores 45 years of project management research drawing on a database of 109 804 records from 1970 to 2015 Three corpora were constructed representing the project management and Time Cost and Quality Management literature Time and Cost are consistently identified as part of the Iron Triangle However the status of quality is contested Key concepts in the project management literature were explored using scientometric research techniques to understand the relationship between these concepts Findings Significant links were found between Time Cost and Quality verifying these concepts as the vertices on the Iron Triangle These links were significantly stronger than links to alternatives such as Scope Performance or Requirements Other concepts that are core to the Iron Triangle were also identified and how these have changed over time Originality value This research develops the understanding of a key project management concept by clarifying which concepts are part of the Iron Triangle based on evidence of how the concept is used in research This paper also reveals the context in which this concept is used and how this has changed over the last 45 years
