Bates,1961 **How do religious figures induce the establishment of sects?** Alejandro Cuevas-Sosa,2018-08-01 Remarkable story of a research project on the bioenergence intuition knowledge and a particular way of interaction with the bioenergemal spiritual universe called bioenergemal communication The author talks to a person called Lucela in relaxation as she describes extraordinary interactions with religious figures including God the Father Jesus Mary and others

as well as the author himself The author detects that threats and instructions become less and less veiled and the religious figures are revealed as monopolistic and self serving while some of Lucela s bioimages and bioscenes are truly terrifying The conclusions are swaying tradition s foundations and are ground breaking steps in the fascinating field of bioenergemal communication
