The Moneymaker:

The Moneymaker Effect Eric Raskin, 2014-06-01 This is the story behind the most dramatic World Series of Poker ever and its lasting effects told by the players the TV execs the tournament directors techs writers and the 2003 WSOP champ himself Chris Moneymaker Moneymaker an amateur poker player with a name too good to be true defied the odds to win the 2003 WSOP main event just as the twin inventions of online poker and the hole card camera simultaneously arrived to revolutionize a game long relegated to smoky bars and living rooms More than a decade later with the online poker world in an ongoing state of flux the Moneymaker effect continues to reverberate while the recollections and insights of the more than 30 eye witness contributors remain as relevant and insightful as ever whether you re a player yourself or simply interested in a great real life narrative

The Moneymakers Anne-Marie Fink, 2009-01-27 When real money is at stake it tends to clarify the mind and for over a decade Anne Marie Fink has had literally billions of dollars resting on her assessments of companies As an equity analyst and professional investor she has been charged with understanding whether businesses are solid long term moneymakers or rotten tomatoes before investing with them She has had unusual access to an incredible variety of businesses from entertainment conglomerates to newspapers Internet companies airlines railroads furniture manufacturers auto suppliers staffing agencies and others Well known for her ability to drill down to the details and understand what makes a business tick she has skillfully dissected the story of many a CEO and talked with people up and down the ranks as well as customers suppliers regulators distributors bankers and rivals anyone who could give her insight on a company s operations The result is a book of great originality an unusual and perceptive look at business that busts myths and conventional thinking Based on what she and her investing colleagues have seen firsthand Anne Marie Fink s *The Moneymakers* provides a highly pragmatic framework for thriving in our hypercompetitive world They include Shrink to grow Why expanding a bad low return business means you just have more of a problem and how a step backward is often the best way forward Good performance requires inefficiency and duplication How maximum efficiency produces suboptimal results by stifling innovation Don t be a customer fanatic How to know when to listen to and when to ignore your customers Economics always trumps management Ignore bedrock economic laws such as supply and demand at your peril it is akin to ordering the tides to stay in place Why happy employees don t make for high performance workplaces Problems in business are like cockroaches there s never just one How to catch problems before they infest your company Avoid the trap of profitless growth Additional profit is an illusion if it consumes too much capital Megatrends start as ripples How to position your business to ride long term waves not be drowned by them
