

# The Mourner

**James Hastings, John Alexander  
Selbie, Louis Herbert Gray**

## **The Mourner:**

**The Mourner's Song** James Tatum, 2004-05 No matter when or where they are fought all wars have one thing in common a relentless progression to monuments and memorials for the dead Likewise all art made from war begins and ends in mourning and remembrance In *The Mourner's Song* James Tatum offers incisive discussions of physical and literary memorials constructed in the wake of war from the Vietnam Veterans Memorial to the writings of Stephen Crane Edmund Wilson Tim O'Brien and Robert Lowell Tatum's touchstone throughout is the *Iliad* not just one of the earliest war poems but also one of the most powerful examples of the way poetry can be a tribute to and consolation for what is lost in war Reading the *Iliad* alongside later works inspired by war Tatum reveals how the forms and processes of art convert mourning to memorial He examines the role of remembrance and the distance from war it requires the significance of landscape in memorialization the artifacts of war that fire the imagination the intimate relationship between war and love and its effects on the ferocity with which soldiers wage battle and finally the idea of memorialization itself Because all survivors suffer the losses of war Tatum's is a story of both victims and victors commanders and soldiers women and men Photographs of war memorials in Vietnam France and the United States beautifully augment his testimonials Eloquent and deeply moving *The Mourner's Song* will speak to anyone interested in the literature of war and the relevance of the classics to our most pressing contemporary needs

**The Mourner's Dance** Katherine Ashenburg, 2010-01-12 There is no doubt that the death of a loved one has a profound and unpredictable effect on the lives of those left behind Mourning is the price we pay for love But how does anyone survive those first weeks months and even years after a death and then eventually return to normal life When her daughter's fiancé died suddenly Katherine Ashenburg found herself drawn into the world of mourning customs Finding little comfort in the stripped-down North American approach she sought solace and shaped the core of this much-praised book by exploring the rich traditions that have sustained mourners in cultures around the world and across centuries Intertwining anecdotes from past and present with her own story Ashenburg uncovers the wisdom and creativity embedded in mourning rituals and their value in rebuilding those unravelled by loss Somehow as Ashenburg so deftly reveals we find strength and go on living With a new afterword by the author
