**The Feats of an Unsung American Heroine** John H. Davis,2016-03-01 The book commemorates my mother Millie B Davis for her achievements and contributions as a virtuous woman and mother devoted Christian outstanding member of the community and loyal citizen of the United States Mothers play an indispensable role in the existence of the human race without them the United States or any other nation would not exist Therefore when a mother conscientiously performs her inherent duties and responsibilities notwithstanding prevailing adversities she is justifiably an unequivocal heroine of the universe

*Transatlantic Antifascisms* Michael Seidman,2017-11-16 Antifascism has received little attention compared to its enemy No historian or social scientist has previously attempted to define its nature and history yet antifascism became perhaps the most powerful ideology of the twentieth century Michael Seidman fills this gap by providing the first comprehensive study of antifascisms in Spain France the UK and USA with new interpretations of the Spanish Civil War French Popular Front and Second World War He shows how two types of antifascism revolutionary and counterrevolutionary developed from 1936 to 1945 Revolutionary antifascism dominated the Spanish Republic during its civil war and re emerged in Eastern Europe at the end of World War II By contrast counterrevolutionary antifascists were hegemonic in France Britain and the USA In Western Europe they restored conservative republics or constitutional monarchies based on Enlightenment principles This innovative examination of antifascism will interest a wide range of scholars and students of twentieth century history

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
