S.

Xavier, 2025-08-28 The Two Faces of Religion considers the entire spectrum of religious experience under the twin aspects of its opposite poles the radiance of mature spirituality and the gloom of sick religiosity Although Dr Xavier necessarily contrasts the positive heights and the negative depths of mankind s spiritual experience he equally emphasizes the vast grey areas of overlap It is in these areas of overlap that Dr Xavier s medical and psychiatric expertise accomplishes the most fruitful of outcomes the recovery of troubled soul from the psycho religious tensions and afflictions so common in today s turbulent and pressurized society His exploration of the dynamic factors underlying the religious spectrum love courage wisdom hate fear egoism identity etc provides a wealth of information and insight to those who are seeking psychological and spiritual growth Clinical historic and literary examples illustrating the operation of these dynamic factors make the book particularly interesting to professionals and lay people alike The Two Faces of the Church...Get Right with God Zamora

Gonzalez, 2019-02-15 Frustrated and angry with members in the church and discouraged by their behavior Ever felt betrayed and treated like a stranger by the church family Struggling to stay in the church and fearful about the future without God in it In The Two Faces of the Church Get Right With God Zamora shares with transparency about the church shortcomings and how to stay connected to God and worthy of Him Zamora shares her struggles to remain faithful to God as she noticed a shift in the church from holiness to carnality and the drifting away from Bible doctrines and the life changing moment that brought her inner peace Through her own experience vignettes and Biblical tips she guides the way to healing and repentance that will draw you nearer to God as you discover You can stand up and do what you were called to do for the

church You will not allow the problems of this world and the ungodly behaviors of the church members to affect you anymore You will encounter many trials and tribulations but will remember that God remains faithful and true to His word He will not walk away and leave you You were not saved by your own volition but by God s pursuit to save you and you are still here because God has extended your life for His purpose If you who have been emotionally injured and experienced grave disappointments in the church and have questioned your walk with God this book is for you **The Violence of Love** Kit W. Myers,2025-01-28 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more The Violence of Love challenges the narrative that adoption is a solely loving act that benefits birth parents adopted individuals and adoptive parents a narrative that is especially pervasive with transracial and transnational adoptions Using interdisciplinary methods of archival legal and discursive analysis Kit W Myers comparatively examines the adoption of Asian Black and Native American children by White families in the United States He shows how race has been constructed relationally to mark certain homes families and nations as spaces of love freedom and better futures in contrast to others that are not and argues that violence is attached to adoption in complex ways Propelled by different types of love such adoptions attempt to transgress biological racial cultural and national borders established by traditional family ideals Yet they are also linked to structural symbolic and traumatic forms of violence The Violence of Love confronts this discomfoting reality and rethinks theories of family to offer more capacious understandings of love kinship and care **Ahmad al-Ghazālī, Remembrance, and the Metaphysics of Love** Joseph E.
