Byron,2017-01-08 Excerpt from Werner a Tragedy I had begun a drama upon this tale so far back as 1815 the first I ever attempted except one at thirteen years old called Ulric and Ilvina which I had sense enough to burn and had nearly completed an act when I was interrupted by circumstances This is somewhere amongst my papers in England but as it has not been found I have re written the first and added the subsequent acts The whole is neither intended nor in any shape adapted for the stage About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Werner George Gordon Byron Baron Byron,1877      Werner George Gordon

Byron,2015-06-02 Excerpt from Werner A Tragedy The following drama is taken entirely from the German s Tale Kruitzner published many years ago in Lee s Canterbury Tales written I believe by two sisters of whom one furnished only this story and another both of which are considered superior to the remainder of the collection I have adopted the characters plan and even the language of many parts of this story Some of the characters are modified or altered a few of the names changed and one character Ida of Stralenheim added by myself but in the rest the original is chiefly followed When I was young about fourteen I think I first read this tale which made a deep impression upon me and may indeed be said to contain the germ of much that I have since written I am not sure that it ever was very popular or at any rate its popularity has since been eclipsed by that of other great writers in the same department About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Werner** George Gordon Byron Baron Byron,1970-12-01      *Werner* Baron George Gordon Byron Byron,Harriet Lee,2016-05-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the

Excerpt from *Werner A Tragedy in Five Acts* The London Stage was indebted to the fine taste and consummate powers of Mr Macready for the first representation of *Werner* although it was first acted in this country on the occasion of Mr Barry s Benefit at the Park Theatre in the season of 1826 who sustained the part of the hero The unprecedented success which attended the production of *Werner* by Mr Macready mainly attributed however to his exquisitely beautiful personation of the leading character has induced several actors to assume the part with modified degrees of success and the play has thus become a stock piece on the Stage and we have therefore been induced to give it a Place in our collection of Standard Dramatic productions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
