Secularization and China's Modernization Zhongmin Wu,2024-12-17 This open access book examines from the perspective of secularization Since the publication of Max Weber s Protestant Ethics and the Spirit of Capitalism how to realize modernization in developing countries has become an urgent problem to be demonstrated Secularization has become endogenous power for Chinese modernization procedure especially since 1978 However to understand the foundation of secularization it is inevitable to tracing back to Chinese history This approach contains critical analysis and profound insight to illuminate the essence of secularization in contemporary Chinese context The author also applies the comparative approach by comparing with Protestant ethics in many Western European countries the significance of secularization has been emphasized The widespread and intense secularization boosts China into the trend modernization that covers nearly all aspects of society This book is in need for those who intended to discern the truth of Chinese modernization It is also a key tool of reflecting modernization and development in a broader sense

World Politics in Modern Civilization Harry Elmer Barnes,1930 A noteworthy stimulating appraisal of the leading trends in world politics and international relations The larger part of the book is devoted to an analysis of the causes and results of the world war with a discussion of post war efforts towards the establishment of world justice and international peace The treatment of personalities and of events is unconventional and straightforward

A History of World Societies John P. McKay,Bennett D. Hill,John Buckler,Patricia Buckley Ebrey,Roger B. Beck,2006 Explores the stories of the peoples of the world within a political framework With coverage of non western topics this text provides a global approach to world history

World History: Since 1500 William J. Duiker,Jackson J. Spielvogel,2016

The Human Record: Since 1500 Alfred J. Andrea,James H. Overfield,2001 Unlike some other world history texts that center on the West The Human Record provides balanced coverage of the global past The book features both written and artifactual sources that are placed in their full historical contexts through introductory essays footnotes and focus questions The text sheds light on the experiences of women and non elite groups while maintaining overall balance and a focus on the major patterns of global historical developments through the ages
