Leonard Levin

Will Drafting:

Drafting of Wills Ceris Rhiannon Field, 2013-07-01 There is no room for error in the drafting of Wills because when a Will comes into effect the testator is not present to revise amend interpret or give instructions as to his intentions This places a special onus on the drafter to be linguistically precise and technically correct Failure to adhere to the minutiae of the technicalities and legalities have led to many a family dispute costly litigation and delays in the winding up of estates causing both emotional and financial hardship to the family of the deceased This practical guide written by a specialist in the drafting of wills covers all the processes considerations and technicalities involved in correct and sound drafting of wills covering details that are vital to good testamentary practice It is essential reading and reference for all professionals involved in the drafting of wills and in the administration of deceased estates including lawyers accountants tax advisers bankers insurers and testators themselves The book is based on the latest developments in the law and recent judgments pertaining to Wills As both a practitioner and lecturer in the field of deceased estates Ceris Field brings a wealth of knowledge and experience to the subject of drafting of Wills
