World Of Language

Ludwig Noiré

World Of Language:

The Politics of English as a World Language Christian Mair, 2003 The complex politics of English as a world language provides the backdrop both for linguistic studies of varieties of English around the world and for postcolonial literary criticism The present volume offers contributions from linguists and literary scholars that explore this common ground in a spirit of open interdisciplinary dialogue Leading authorities assess the state of the art to suggest directions for further research with substantial case studies ranging over a wide variety of topics from the legitimacy of language norms of lingua franca communication to the recognition of newer post colonial varieties of English in the online OED Four regional sections treat the Caribbean including the diaspora Africa the Indian subcontinent and Australasia and the Pacific Rim Each section maintains a careful balance between linguistics and literature and external and indigenous perspectives on issues The book is the most balanced complete and up to date treatment of the topic to date
