Larry A. Braskamp, Dale C. Brandenburg, John C. Ory, 1984-10-01 Evaluating Teaching Effectiveness is a practical guide intended to assist faculty members and educational administrators in the critical analysis design and implementation of teaching practice evaluation Evaluation of teaching should be assessed from a variety of perspectives since no single piece of evidence collected from one source is sufficient to judge the competence of a teacher This view is based on testing and experimenting carried out by the authors on their own campuses for application on any campus or college In order to evaluate teacher effectiveness it also important to take the purpose of the evaluation into account *Linking Teacher Evaluation and Student Learning*

Pamela D. Tucker, James H. Stronge, 2005-04-15 In *Linking Teacher Evaluation and Student Learning* researchers Pamela D Tucker and James H Stronge show that including measures of student achievement in teacher evaluations can help schools focus their efforts to meet higher standards You ll see how four school systems have built such measures into their evaluation programs in these distinct ways Documenting how desired learning outcomes translated into actual student learning Tracking progress on key content standards Setting annual quantifiable goals for students academic progress Analyzing changes in students achievement test scores The authors explore the strengths of each approach offer insights from teachers and administrators and describe practical ways to incorporate similar measures of student learning into your own evaluation program Detailed appendixes provide hands on tools and resources to help you adapt these approaches to your school s particular needs For any school that is working to meet higher standards linking teacher evaluation to measures of student learning is a powerful way to refocus professional development and improve student achievement **Teacher Evaluation and Student Achievement**

James H. Stronge, Pamela D. Tucker, 2000 This book discusses four approaches to incorporating student achievement in teacher evaluation Seven chapters discuss 1 Teacher Evaluation and Student Achievement An Introduction to the Issues 2 What is the Relationship between Teaching and Learning e g whether teachers are responsible for student learning and how to measure student learning 3 Assessing

Teacher Performance through Comparative Student Growth The Dallas Value Added Accountability System 4 Assessing Teacher Performance through Repeated Measures of Student Gains The Tennessee Value Added Assessment System 5 Assessing Teacher Performance with Student Work The Oregon Teacher Work Sample Methodology 6 Assessing Teacher Performance in a Standards Based Environment The Thompson Colorado School District and 7 Teacher Evaluation and Student Achievement What are the Lessons Learned and Where Do We Go from Here e g basic requirements of fair testing programs that are to be used to inform teacher evaluation Chapters 3 6 include information on the purposes of the accountability system and how it was developed student assessment strategies how the accountability system works how the accountability system relates to teacher evaluation the advantages and disadvantages of the accountability system for teacher evaluation and results of implementation Contains 66 references SM
