professional's bible for more than 30 years. Including hundreds of sales leads, it also tells artists and designers exactly how to put these listings to work. There's also a wealth of tips and advice on everything from paying taxes and shipping artwork to copyright basics and self-promotion. Hints for Platform and Parliamentary Speaking Arthur Ponsonby, 1940 Artist's & Graphic Designer's Market Mary Cox, 2000 Writers.net Gary Gach, 1997. Most writers today are more familiar with printers and modems than with typewriter ribbons. Personal computers and the Internet are changing the way writers create and communicate. With twenty-four-hour information and instant memory, these modern conveniences are radically altering the face of the literary community. In Writers.net, veteran Internet trainer and best-selling author Gary Gach gives writers of every medium valuable insight into using the Net in many aspects of their writing. From poetry and romance to technical writing and science fiction, Gach directs writers to appropriate forums, magazines, publishers' home pages, and many other resources that will help writers stay on top of developments in their field of specialty. Writers.net also covers the most common uses of the Internet for writers, including finding writing assignments, conducting research, improving one's writing, and carrying on discussions with other writers. For those new to the Internet, Gach provides an Internet Primer for Writers that includes basic terminology, a guided tour, and an essay that puts the Net in perspective for beginners. He also discusses the new worlds of electronic publishing, interactive and collaborative writing, Net censorship, and cyberjournalism. Getting information from the Internet can be like trying to get a glass of water off an open fire hydrant, warns Gach, but with Writers.net, writers now have a handbook to help them control the unlimited resources that make up the Internet.
