The Hum of the World Lawrence Kramer, 2021-06-21 The Hum of the World is an invitation to contemplate what would happen if we heard the world as attentively as we see it Balancing big ideas playful wit and lyrical prose this imaginative volume identifies the role of sound in Western experience as the primary medium in which the presence and persistence of life acquires tangible form The positive experience of aliveness is not merely in accord with sound but inaccessible even inconceivable without it Lawrence Kramer's poetic book roves freely over music media language philosophy and science from the ancient world to the present along the way revealing how life is apprehended through sounds ranging from pandemonium to the faint background hum of the world This warm meditation on auditory culture uncovers the knowledge and pleasure waiting when we learn that the world is alive with sound

The Spiritual in Art Wassily Kandinsky, 2020-12-17 Kandinsky in this book defines the three types of painting impressions improvisations and compositions While impressions are based on an external reality that serves as a starting point improvisations and compositions depict images emergent from the unconscious though composition is developed from a more formal point of view Kandinsky compares the spiritual life of humanity to a pyramid the artist has a mission to lead others to the pinnacle with his work The point of the pyramid is those few great artists It is a spiritual pyramid advancing and ascending slowly even if it sometimes appears immobile During decadent periods the soul sinks to the bottom of the pyramid humanity searches only for external success ignoring spiritual forces

The Power of Music Michael L. Brown, 2019-01-08 Music can either Connect You to God or Drive You to the Devil God created the human race to enjoy music and to make music and through music the world has been dramatically changed for good and for evil In this fascinating book Michael L Brown takes the reader on a journey through the history of music from classical to rock and from hip hop to gospel showing just how transformative music has been and how much God wants to use it to change the world again Brown contends that it is time for all Christians to make a concerted effort to recover the potential of anointed music and song in our assemblies and in society in our services and on the streets in studios and in schools The counterculture

revolution of the 1960s only succeeded with the help of satanically inspired music and mind altering drugs Could it be that today s Jesus revolution can only succeed with the help of Spirit inspired music and a life altering encounter with God What else will produce the necessary change in our perspective After reading this book believers will never again listen to music the same They will finally understand its power and divine origin but more importantly they will know how God wants to use it to usher in a global outpouring that will change the world forever This book will show you how music can either indoctrinate or educate you spark rebellion or patriotism and drive you to the devil or draw you closer to God This book will stir up musicians artists and worshippers everywhere to dive deeper into an appreciation and adoration of the One Himself who created sounds songs and melodies BECKAH SHAE Dove Award Nominated Singer Songwriter Musicians and non musicians alike will be inspired by the powerful ways God intends to use music in today s end time drama BOB SORGE Author of Exploring Worship A Practical Guide to Praise and Worship Dr Brown has written a must read for all musicians singers and songwriters who desire to harness the power of music to glorify Jesus change the atmosphere and release heaven s sound on the earth KELANIE GLOECKLER Worship Leader and Songwriter Executive Director of Access Worship International *The Studio* ,1919 The Swedenborg Concordance John Faulkner Potts,1898 *The Homiletic Review* ,1900 **Directions in Sound** WFIU (Radio station : Bloomington, Ind.),2009 The World a Spiritual System James Henry Snowden,1910 **A System of Biblical Psychology** Franz Delitzsch,1899 **The Pageant of America: The American spirit in letters, by S.T.
