Training For Decent Work:

Training for Decent Work Ilo Cinterfor,2001 This book has been envisaged as a contribution to defining the concept of decent work and promoting its achievement as objectives adopted by the International Labour Organisation It approaches its task from the particular viewpoint of the prospects and practices of the vocational training institutions of the Latin American and Caribbean Region Decent Work: Concept, Theory and Measurement Nausheen Nizami,Narayan Prasad,2017-04-03 This book introduces readers to the concept and theories of decent work and provides a framework for measuring it at the micro meso and macro level in a given country Further it addresses the importance of measuring decent work in today s world and in connection with the different challenges countries face depending on their respective stage of development The essence of the book lies in highlighting the practical applications of decent work in terms of its ability to deliver empirical measurements of qualitative and subjective phenomena with a mixed methods approach combining tools and techniques from economics and statistics Moreover as the applicability of decent work is not confined to the IT industry and formal sectors of the economy the book also provides useful guidelines on how further empirical studies can be undertaken to measure decent work in non IT industries As such the book offers a rich compilation of empirical and theoretical contributions on decent work designed to not only enrich readers understanding but also promote awareness of the practical relevance and technical aspects of the subject matter **Decent Work in Denmark** Philippe Egger,2003 Examines to what extent and by what means and mechanisms labour standards and relatively equal income distribution facilitated by high employment rates and social protection have contributed to sustaining a high rate of economic growth **Decent Work-Life in Business** Soumi Majumder,Debasish Biswas,2023-07-26 Decent Work Life in Business Essential Tool for Sustainable Development presents a detailed discussion of the concept of decent work life and its application in business for sustainable development It discusses decent work life culture in a business environment The book makes a strong case for decent work which not only provides work opportunities but also delivers a fair income fair treatment security at the workplace and social protection for families With the help of empirical data and statistical indicators it explores themes such as ILO and decent work agenda opportunities for work and dignity at work social dimensions of globalization and sustainable development poverty reduction through decent work work life balance and social protection unacceptable work and social dialogue economic and social context of decent work This book will be an indispensable resource for the students scholars and teachers of business management and especially those pursuing a career in human resource management It will also interest scholars of political economy sociology of work business management human resource management labour studies public policy and social anthropology alongside industry experts Preparing and accessing decent work amongst rural youth in Cambodia Food and Agriculture Organization of the United Nations,2019-08-12 The case study explores which skills and training opportunities young people need in order to gain access to decent employment in rural areas The research was undertaken in

order to develop recommendations to support the Ministry of Agriculture Forestry and Fisheries MAFF and FAO Cambodia in developing appropriate recommendations to support rural young people especially those of the 15 to 17 age cohort The study highlights the limited decent employment opportunities that currently exist along various agricultural value chains in rural Cambodia Poverty and the structural problems of the agricultural sector are the main barriers for youth in accessing decent rural employment A substantial enhancement of the education system as well as the provision of appropriate training services to ensure successful schoolto work transition is seen as necessary to tackle these challenges A well balanced policy mix reflecting national and local circumstances can encourage employment opportunities and create an environment that enables rural youth Building on previous research on agriculture in Cambodia agricultural transformation requires promotion of agribusiness enterprises support to community managed organizations of farmers promotion of agropreneurs and investments in agricultural and rural development particularly in infrastructure energy water education and health Moreover most youth entering agriculture are self employed and work as smallscale farmers Therefore the provision of skills and training in rural areas should focus on the skills required to be self employed Training, Productivity and Decent Work Gerry Rodgers,2002 *Decent Work for All* ,2000 Gender Equality at the Heart of Decent Work International Labour Office,2009 This report has three aims reviewing the ILO s progress in assisting constituents to achieve gender equality in the world of work highlighting its current efforts to implement International Labour Conference ILC resolutions and Governing Body decisions on promoting gender equality and mainstreaming it in the Decent Work Agenda and providing background for constituents to chart a strategic course for future work **Decent Work and the Informal Economy** ,2002 Describes the informal economy and highlights its decent work deficit Proposes an integrated strategy to address underlying causes of informality and to promote decent work in all sectors of the economy from formal to informal

Decent Work for Domestic Workers ,2009 This report is intended to facilitate the discussion of domestic work at the Conference and provides information from across the world that may be useful in replying to the questionnaire appended to it A special effort has been made to identify and examine focused and innovative laws and regulations on domestic workers that are emerging in a number of countries Opportunities for youth in the bioeconomy Dietershagen, J., Bammann, H.,2023-10-17 This report provides a comprehensive analysis of key challenges and barriers to achieving greater youth inclusion in the bioeconomy The analysis covers key factors push pull factors that impact youth employment and entrepreneurship opportunities such as education vocational training skills building technology and business development It also underscores the significance of considering economic development opportunities rural urban dynamics and sustainable resource management when implementing policies The study assesses the youth inclusiveness of current bioeconomy strategies and related policies and identifies six policy goals and how they need to be addressed for greater youth inclusion Additionally the report assesses specific youth employment opportunities and challenges in different sectors of the

bioeconomy and provides a specific set of recommendations to support youth participation in the bioeconomy Finally the report provides generic recommendations for better youth inclusion and support in the bioeconomy Overall the report concludes that the bioeconomy offers considerable opportunities and is attractive to youth but more needs to be done to support youth entrepreneurship and employment in the sector **Decent Work** International Institute for Labour Studies,International Labour Office,2006 This main purpose of this publication is to provide an introductory text on the policies relating to the concept of decent work with special reference to the four ILO strategic objectives of rights at work employment social protection and social dialogue The papers explore the evolution and content of the concept and its key components and highlight its relevance and applicability to diverse institutional contexts and stages of development
