Willingly Wanton:

Love, Reason, and Will Anthony Rudd, John Davenport, 2015-10-22 Love Reason and Will Kierkegaard After Frankfurt introduces and investigates themes common to Harry G Frankfurt and Soren Kierkegaard focusing particularly on their understanding of love Several distinguished contributors argue that Kierkegaard's insights about love volition and identity can help us to evaluate aspects of Frankfurt's well known arguments about love and caring similarly Frankfurt's analyses of the higher order will valuing and self love help clarify themes in Kierkegaard's Works of Love and other books By bringing these two key thinkers into conversation with each other we may glean a new understanding of the structure of love reasons for love or deriving from loving and more broadly the central ethical questions of how to live and to develop an authentic identity and meaningful life Love Reason and Will will appeal to readers interested in the philosophy of action and emotions continental thought especially in the existential tradition the study of character in psychology and theological work on neighbor love and virtues

Godkin Daniel D. Longdon, 2025-02-21 Ganymede the moon given over to those that refused to relinquish their faith in the one god lived in harmony and peace All the faiths that survived the wars coming together for the first time in mankind's long illustrious history The government of man the corporations and the spirit council sanctioned the moon heavily refusing most tech weapons and travel from the moon in the hope that those eking out a pre spacefaring existence would once again destroy themselves through holy warfare When those on the surface of the moon appeared for the most part to get along Jack Satan was tasked by those in power to make this happen much to the chagrin of Pierre Augustin the officer that commanded the small fleet of warships stationed in the orbit of Ganymede considered by most on the surface as its gaoler

"Fata Morgana," Elizabeth Brandon Stanton, 1917 *The Oresteia* Aeschylus, 2014-08-06 One of the founding documents of Western culture and the only surviving ancient Greek trilogy the Oresteia of Aeschylus is one of the great tragedies of all time The three plays of the Oresteia portray the bloody events that follow the victorious return of King Agamemnon from the Trojan War at the start of which he had sacrificed his daughter Iphigeneia to secure divine favor After Iphigeneia's mother Clytemnestra kills her husband in revenge she in turn is murdered by their son Orestes with his sister Electra's encouragement Orestes is pursued by the Furies and put on trial his fate decided by the goddess Athena Far more than the story of murder and vengeance in the royal house of Atreus the Oresteia serves as a dramatic parable of the evolution of justice and civilization that is still powerful after 2 500 years The trilogy is presented here in George Thomson's classic translation renowned for its fidelity to the rhythms and richness of the original Greek

Edinnu, Species 161 Jan Strober, 2023-08-18 The impending End of Daegs were upon the inhabitants of the planet They had acknowledged long ago that they had no other option than to venture out into the distant stars and search for the new Eden which Gavril had apparently found on his reconnaissance somewhere that they can call home once more Gidhon stood on the deck observing the planet below He could hear the constant ebb of the starship and his thoughts turned to the heavily laden underbelly

which sat beneath his feet his cargo their future for without them they as a species will not survive Is all well Gidhon a voice asked He groaned inwardly and it was then that he remembered he was not alone never alone to his thoughts he shook his head as he heard Athena s voice Just why had they made this choice he will never know he thought **His Miracle Baby** Kate Walker,2011-01-17 Why had Ellie left him Morgan didn t know It was obvious she d still been blissfully in love with him She d even agreed with his edict that they never have children Then Ellie had disappeared When Morgan found her To his absolute shock she had with her the most adorable baby girl that he d ever seen His heart twisted inside him Had Ellie found another man to give her what he never could or was this babyMorgan s very own miracle 1984, □□□□ □□□ ,□□□□□□
