Religions East and West Ward J. Fellows, 1979

Classics and Interpretations Ching-I Tu, 2017-11-30 In recent years in the West scholars have attempted to unravel old constructs of interpretation and understanding using the discipline of hermeneutics or the scientific study of textual interpretation Borrowed from students of the ever growing body of biblical interpretive literature that originated in the early Christian era theoretical hermeneutics has given many contemporary scholars potent tools of textual interpretation *Classics and Interpretations* applies this method to Chinese culture Several essays focus on hermeneutic traditions of Neo Confucianism Others move outside of these traditions to attempt an understanding of the role of hermeneutics in Taoist and Buddhist textual interpretation in Chinese poetics and painting and in contemporary Chinese culture This volume makes a concerted effort to remedy our ignorance of the Chinese hermeneutical tradition Part 1 The Great Learning and Hermeneutics demonstrates the use of commentary to define how the individual creates his social self and discusses differing

interpretations of the Ta hsueh text and its treatment as either canonical or heterodox Part 2 Canonicity and Orthodoxy considers the philosophical touchstones employed by Neo Confucian canonical exegetes and polemicists and discusses the Han canonization of the scriptural Five Classics while illuminating a double standard that existed in the hermeneutical regime of late imperial China Part 3 Hermeneutics as Politics discusses the transformation of both the classics and scholars and explores the dominant hermeneutic tradition in Chinese historiography the scriptural tradition and reinterpretation of the Ch un ch iu and reveals the pragmatism of Chinese hermeneutics through comparison of the Sung debates over the Mencius The concluding sections include essays on Chu Hsi and Interpretation of Chinese Classics Hermeneutic Traditions in Chinese Poetics and Non Confucian Contexts Reinterpretation of Confucian Texts in the Ming Ch ing Period and Contemporary Interpretations of Confucian Culture Through these literate and brilliantly written essays the reader witnesses not merely the great breadth and depth of Chinese hermeneutics but also its continuity and evolutionary vigor This volume will excite scholars of the Confucian Buddhist and Taoist systems of thought and belief as well as students of history and hermeneutics

Scripturalizing the Human Vincent L. Wimbush, 2015-07-16 Scripturalizing the Human is a transdisciplinary collection of essays that reconceptualizes and models scriptural studies as a critical comparative set of practices with broad ramifications for scholars of religion and biblical studies This critical historical and ethnographic project is focused on scriptures scripturalization scripturalizing as shorthand for the psycho cultural and socio political work we make language do for and to us Each essay focuses on an instance of or situation involving such work engaging with the Bible Book of Mormon Bhagavata Purana and other sacred texts artifacts and practices in order to explore historical and ongoing constructions of the human Contributors use the category of scriptures understood not simply as texts but as freighted shorthand for the dynamics and ultimate politics of language as tools for self illumination and self analysis The significance of the collection lies in the window it opens to the rich and complex view of the highs and lows of human un making as it establishes the connections between a seemingly basic and apolitical religious category and a set of larger social cultural phenomena and dynamics

A Short Introduction to World Religions Tim Dowley, 2018-07-01 This leading textbook for world religions is now available in a more concise version Many of the features of Introduction to World Religions are retained in this volume but with focus on the religious traditions themselves The section on religions of antiquity has been removed and key content in each chapter streamlined to increase accessibility for students in their study and research of the world s religious traditions Known and valued for its balanced approach this book offers an arresting layout with rich illustrations It continues to provide broad coverage of diverse religions including indigenous religions Hinduism Buddhism Jainism Judaism Christianity Islam Sikhism and Chinese Korean and Japanese religions The user friendly content is enhanced by charts of religious festivals historic timelines updated maps of the world s religions and a useful glossary Both historical overviews and modern perspectives for each religion are included This edition includes several

updates made to the new third edition including a new design a new section on women and religion and a newly revised section on religions in today s world The Past, Present, and Future of Theologies of Interreligious Dialogue Terrence Merrigan,John Friday,2017-03-17 The Past Present and Future of Theology of Interreligious Dialogue brings together several of the most widely regarded specialists who have contributed to theological reflection on religious diversity and interreligious encounter The chapters are united by the consistent theme of the obligation to engage with the challenges that emerge from the tension between the doctrinal tradition s of Christianity and the need to reconsider them in light of and in response to the fact of religious otherness As a whole these reflections are motivated by the desire to bring together a significant selection of different theological approaches that have been developed and appropriated in order to engage with religious difference in the past and present as well as to suggest possibilities for the future This confluence of perspectives reveals the complexity of theological reflection on religious diversity and gives some indication of future challenges that must be acknowledged and perhaps successfully met in the ongoing attempt to address a universal reality in light of traditional doctrinal particularities and cultural concerns *Introduction to World Religions* Christopher Partridge,2018-07-01 This leading textbook for world religion is designed to help students in their study and research of the world s religious traditions Known and valued for its balanced approach and its respected board of consulting editors this text addresses ways to study religion provides broad coverage of diverse religions and offers an arresting layout with rich illustrations Introductory sections on understanding religion and the religions of antiquity lay the foundation for the study of the numerous religious traditions highlighted in the volume including indigenous religions Hinduism Buddhism Jainism Judaism Christianity Islam Sikhism and Chinese Korean and Japanese religions The user friendly content is enhanced by charts of religious festivals historic timelines updated maps of the world s religions and a useful glossary Both historical overviews and modern perspectives for each religion are included This third edition has several updates including a new design a new section on women and religion and a newly revised section on religions in today s world **Anthology of Asian Scriptures** Robert E. Van Voorst,2001 This reader contains some of the most notable and instructive scriptures of the major Asian religions Hinduism Buddhism Jainism Sikhism Confucianism Taoism Shinto and Zoroastrianism It is a comprehensive and pedagogically sound presentation of the sacred literature of the Asia A clear and consistent organization makes the text easy to use and understand The first chapter examines the general phenomenon of scripture in the world s religions its nature use and place in modern scholarship Chapter 1 also introduces the reader to the art of reading scripture with practical suggestions a pronunciation guide for foreign words and other pedagogical aids Each subsequent chapter presents the scripture of a single religion Three or four vignettes about scripture and its usage open the chapter to draw the reader s interest and imagination Then an introduction sets the context by explaining the overall structure origin development and use of the scripture in its religion *Discourse in Dialogue* Pat F. Rossi,2014-07-24 *Discourse in Dialogue* Reflections in Fundamental Philosophical Theology is a project

which considers fundamental theological and philosophical perspectives in Catholic Christian theology This project adumbrates a number of specifically intellectual themes namely philosophical and theological in character which pertain to the Catholic Christian tradition These themes include a study of the following the interrelationship of philosophy and theology theological method and pluralism the interpretation of scripture and its underlying hermeneutical principles Christian anthropology in relation to philosophy of the human person the Christological mystery and soteriology as well as the nature of Christian Philosophy all of which are representative themes proper to fundamental philosophical theology This work serves as an introductory text to the above cited questions while also providing more specific points of study for those interested in a more comprehensive reflection on contemporary philosophical and theological perspectives
