Snow World:

Cure Jo Marchant, 2016-01-19 A rigorous skeptical deeply reported look at the new science behind the mind's surprising ability to heal the body Have you ever felt a surge of adrenaline after narrowly avoiding an accident Salivated at the sight or thought of a sour lemon Felt turned on just from hearing your partner's voice If so then you've experienced how dramatically the workings of your mind can affect your body Yet while we accept that stress or anxiety can damage our health the idea of healing thoughts was long ago hijacked by New Age gurus and spiritual healers Recently however serious scientists from a range of fields have been uncovering evidence that our thoughts emotions and beliefs can ease pain heal wounds fend off infection and heart disease and even slow the progression of AIDS and some cancers In Cure award winning science writer Jo Marchant travels the world to meet the physicians patients and researchers on the cutting edge of this new world of medicine We learn how meditation protects against depression and dementia how social connections increase life expectancy and how patients who feel cared for recover from surgery faster We meet Iraq war veterans who are using a virtual arctic world to treat their burns and children whose ADHD is kept under control with half the normal dose of medication We watch as a transplant patient uses the smell of lavender to calm his hostile immune system and an Olympic runner shaves vital seconds off his time through mind power alone Drawing on the very latest research Marchant explores the vast potential of the mind's ability to heal lays out its limitations and explains how we can make use of the findings in our own lives With clarity and compassion Cure points the way towards a system of medicine that treats us not simply as bodies but as human beings A New York Times Bestseller Finalist for the Royal Society Insight Investment Science Book Prize Longlisted for the Wellcome Book Prize

Hunted: Whiteout Walter Sorrells, 2009-10-15 A teacher is found dead in a whiteout blizzard If Chass doesn't act fast she could be next Whiteout continues the story of Chastity who has been on the run with her mother for as long as she can remember Stumbling through a whiteout blizzard in Greenville Minnesota Chass trips over a dead body and then sees a mysterious man disappear into the storm With her haunted past Chass knows all about running from killers and she is sure that Kyle Van Epps is back But Chass is sick of running and if she hopes to ever have a normal life again she has only one choice find the killer before the killer finds her

SuperBetter Jane McGonigal, 2015-09-15 An innovative guide to living gamefully based on the program that has already helped nearly half a million people achieve remarkable personal growth In 2009 internationally renowned game designer Jane McGonigal suffered a severe concussion Unable to think clearly or work or even get out of bed she became anxious and depressed even suicidal But rather than let herself sink further she decided to get better by doing what she does best she turned her recovery process into a resilience building game What started as a simple motivational exercise quickly became a set of rules for post traumatic growth that she shared on her blog These rules led to a digital game and a major research study with the National Institutes of Health Today nearly half a million people have played SuperBetter to get stronger happier and healthier But the life changing ideas behind SuperBetter are

much bigger than just one game In this book McGonigal reveals a decade s worth of scientific research into the ways all games including videogames sports and puzzles change how we respond to stress challenge and pain She explains how we can cultivate new powers of recovery and resilience in everyday life simply by adopting a more gameful mind set Being gameful means bringing the same psychological strengths we naturally display when we play games such as optimism creativity courage and determination to real world goals Drawing on hundreds of studies McGonigal shows that getting superbetter is as simple as tapping into the three core psychological strengths that games help you build Your ability to control your attention and therefore your thoughts and feelings Your power to turn anyone into a potential ally and to strengthen your existing relationships Your natural capacity to motivate yourself and super charge your heroic qualities like willpower compassion and determination SuperBetter contains nearly 100 playful challenges anyone can undertake in order to build these gameful strengths It includes stories and data from people who have used the SuperBetter method to get stronger in the face of illness injury and other major setbacks as well as to achieve goals like losing weight running a marathon and finding a new job As inspiring as it is down to earth and grounded in rigorous research SuperBetter is a proven game plan for a better life You ll never say that something is just a game again

Mr. Bones Paul Theroux,2014-09-30 Suave and accomplished The stories are unsettling resistant to tidy denouement and faintly misanthropic Washington Post Beneath the deceptive elegance of these stories land mines lurk and Theroux detonates them with gusto O the Oprah Magazine A family watches their patriarch transform into the singing wisecracking lead of an old timey minstrel show An art collector publicly destroys his most valuable pieces Two boys stand by as their father wages war on the raccoons living under their house In this new collection acclaimed author Paul Theroux shows us humanity possessed consumed by compulsive desire always with his carefully honed eye for detail and the subtle idiosyncrasies that bring his characters to life Searing dark and sure to unsettle Mr Bones is a stunning display of Theroux s

fluent faintly sinister powers of vision and imagination The New Yorker Fans of Theroux s fiction will be pleased to observe in the twenty stories collected in Mr Bones clear evidence of how little he has mellowed over time Mr Bones is a series of characteristically dark and sharply focused snapshots from the world that Paul Theroux has observed and invented Francine Prose New York Times Book Review
