Sprite And Coffee Pot:

Sprite ; And, The Coffee Pot Théophile Gautier,1995 This volume provides his first piece of fantastical prose The Coffee Pot and his last Sprite The latter may seem something of a sequel to the former continuing to chart a path of male erotic fantasy but the combination is of greater value for making visible some of the consistencies and evolutions of Gautier s oeuvre as a whole *The Urban Fantastic in Nineteenth-Century European Literature* Patricia García,2022-01-17 The Urban Fantastic in Nineteenth Century European Literature explores transnational perspectives of modern city life in Europe by engaging with the fantastic tropes and metaphors used by writers of short fiction Focusing on the literary city and literary representations of urban experience throughout the nineteenth century the works discussed incorporate supernatural occurrences in a European city and the supernatural of these stories stems from and belongs to the city The argument is structured around three primary themes Architectures Encounters and Rhythms make reference to three axes of city life material space human encounters and movement This thematic approach highlights cultural continuities and thus supports the use of the label of urban fantastic within and across the European traditions studied here **Paris Noir** Jacques Yonnet,2011-03-16 In Paris Noir Yonnet tells is about some of the darker quarters of Paris on the left bank of the Seine centred on the place Mauberge and the rue Mouffetard as seen from his own experience It is mainly written during the 1940s under the Occupation and in the immediate post war period there is a certain amount dealing with the resistance but the main thrust of the book is a Paris that existed between the wars and is well known from the film noir but has since disappeared It concentrates on the people rather than places a mixture of ordinary workers tradesmen artists con men and criminals It invests the area with a sense of mystery including occasional supernatural events it is extremely well written often using the language of the inhabitants of the area Raymond Queneau considered it the greatest book ever written about Paris For Dedalus it is the perfect counterfoil for J K Huysmans Parisian Sketches which Dedalus published in 2004 which showed the darker side of Paris pre Haussman s big boulevards Among the books you must read before you die is Paris Noir by Jacques Yonnet Raphael Sorin Concentrating on the seedy area around Rue Mouffetard which becomes La Mouffe in a typically Parisian abbreviation Yonnet reveals the dark side of the City of Light in the 1940s in this secret history of a city The street life of the Left Bank ticks on much as normal during the Occupation though L opoldie the tart stops turning tricks because the green German uniform does not suit her complexion Keep on Dancin the killer with a fondness for history rules the roost Though describing himself as sceptical disillusioned cynical Yonnet casually dispatches a traitor in the Resistance This is film noir in book form Christopher Hirst in The Independent **La-Bas** J.-K. Huysmans,2011-02-19 Huysmans novel though it is clearly rooted in the preoccupations of the late 19th century is remarkably prophetic about the concerns of our own recent fin de siecle With its allusions to amongst other things Satanic child abuse alternative medicine New Age philosophy and female sexuality the novel has clearly a lot to say to a contemporary audience As with most of Huysmans

books the pleasure in reading is not necessarily from its overarching plot line but in set pieces such as the extraordinary sequences in which Gilles de Rais wanders through a wood that suddenly metamorphoses into a series of copulating organic forms the justly famous wood painting of Matthias Grunewald's Crucifixion altar piece or the brutally erotic scenes crackling with sexual tension between Durtal and Madame Chantelouve If it is about anything La Bas is about Good and Evil This enlightening new translation will be especially useful to students of literature Not only does it contain an introduction that puts Huysmans in context for those who are new to his work it also includes extensive notes to unlock the mass of obscure words that litter the text and references to a vast array of scientists false messiahs and misfits whose ideas went into the concoction of this strangely fascinating book Beryl Bainbridge in *The Spectator* This novel is one of the key texts of the Decadent movement of the 1890s and writhes with satanists occultists incubi male demons succubi female demons and intellectuals Sophia Martelli in *The Observer* This Gothic shocker is not for the faint hearted Jerome Boyd Maunsell in *The Times* The classic tale of satanism and sexual obsession in nineteenth century Paris in an attractive new edition The novel's enervated anti hero Durtal is writing a book about Gilles de Rais child murderer and comrade in arms of Joan of Arc When he's not swotting up on alchemy visiting Rais ruined castle and fantasising about a mystery woman he is pondering Catholicism with his friends But his sexual adventures and historical studies mesh when he's invited to witness a black mass Strong meat for diseased imaginations *Time Out*

[Portrait Stories](#) Michal Peled Ginsburg, 2014-12-15 What makes stories about portraits so gripping and unsettling *Portrait Stories* argues that it is the ways they problematize the relation between subjectivity and representation Through close readings of short stories and novellas by Poe James Hoffmann Gautier Nerval Balzac Kleist Hardy Wilde Storm Sand and Gogol the author shows how the subjectivities of sitter painter and viewer are produced in relation to representations shaped by particular interests and power relations often determined by gender as well as by class She focuses on the power that can accrue to the painter from the act of representation often at the expense of the portrait's subject while also exploring how and why this act may threaten the portrait painter's sense of self Analyzing the viewer's relation to the portrait she demonstrates how portrait stories problematize the very act of seeing and with it the way subjectivity is constructed in the field of vision

Portrait of an Englishman in His Chateau André Pieyre de Mandiargues,1998 A Gothic tale in the manner of the Marquis de Sade and Octave Mirbeau s Torture Garden It was originally published anonymously in Paris in 1953 When the unnamed narrator crosses the causeway to the Chateau of Gamehuche he enters a surrealist nightmare of debauchery and violence The proceedings at the chateau are presided over by the master of Gamehuche M de Montcul formerly the English diplomat Sir Horatio Mountarse With a cast of willing and not so willing acolytes he serves up an over refined cuisine of

obscenity sexual perversion and unspeakable cruelty The book could be described as a dispatch written from the frontiers of depravity J Fletcher's translation is the first English version of Pieyre de Mandiargues' disturbing cult classic *The Book of Tobias* Sylvie Germain, 2000 When tragedy strikes and Theodore Lebon is robbed of his adored wife or rather his wife's head for it is only her headless body that returns home after a riding accident we are once again in that strange world that Sylvie Germain has made her own It is a world where certainties dissolve and the confines of reality shift to embrace the unexpected and the improbable the absurd the grotesque even the miraculous Nothing is too weird or wonderful to find a place in her richly imaginative fiction The Mammoth Book of Best New Horror Stephen Jones, Ramsey Campbell, 1995
