Social Statistics William Fox,1995 **Journal of Education for Social Work** ,1995 **Renegade Kids, Suburban Outlaws** Wayne S. Wooden,Randy Blazak,2001 Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society **Subject Guide to Books in Print** ,1996 *Research Methods for Clinical Social Workers* John S. Wodarski,1997 Responding to growing challenges in social work to base clinical practice on empirical evidence John Wodarski has developed this research textbook to illustrate the value of empirical perspectives in social work practice and to facilitate the integration of research and practice Written in an accessible style the text guides the reader through the development and implementation of various types of empirical research designs The volume provides concrete tools for effective intervention and builds problem solving and evaluative components into the intervention process incorporating a much needed progressive and systematic approach to social work education **The Cumulative Book Index** ,1992 A world list of books in the English language *Political Science Research* Laurence F. Jones,Edward C. Olson,1996 This text introduces students to the discipline of political science and the research process by teaching them how to conduct basic political research without overwhelming them with statistical theorizing and calculation Political Science Research has three objectives First it gives students the scope of the discipline by acquainting them with what political scientists do and study Second it familiarizes readers with the methods that political scientists use to examine pertinent questions Third the text guides readers through each stage of the research process topic selection literature review hypothesis formulation data collection input and analysis and the writing of the final report **Applied Social Research** Duane R. Monette,Thomas J. Sullivan,Cornell R. DeJong,1994 **Research Methods in Criminal Justice and Criminology** Frank E. Hagan,1997 Blends sound pedagogy in research methods instruction with a range of classic and contemporary research examples from criminology and criminal justice Students learn how to carry out research and also become familiar with the research that currently is available **Statistics** Joseph F. Healey,1996 Healey knows social research statistics thoroughly and he also knows how deeply students fear it This Fourth Edition delivers an effective balance of conceptual and practical approaches to statistics in language that truly communicates with students Healey covers basic statistical concepts and techniques in a step by step manner continually emphasizing the underlying logic and the social research contexts that make sense of it all In the process students get plenty of unthreatening exposure to the usually challenging task of statistical interpretations
