Lewis,2025-03-13 An overview of the life and controversial teachings of W Carl Ketcherside 1908 1989 as reflected in his journal *Mission Messenger* and the numerous books he published over the years Much of what Ketcherside wrote can be found in the writings of the fathers of the Stone Campbell restoration movement from which this book quotes extensively in support of his position It is significant to note that division among Christians in early nineteenth century America arose from differences in doctrinal deductions or interpretations as expressed in various creeds The Campbells proposed that such deductions referred to as opinions should never be used as tests of Christian fellowship In the twentieth century division among Churches of Christ was and continues to be caused by differences in doctrinal interpretations as found in the various journals and other publications of each group Ketcherside argued that such doctrines should never be used as tests of

Christian fellowship He based his position on scriptural premises set forth in numerous books and essays Additionally he cited the fathers of the Stone Campbell Movement as evidence that Churches of Christ had abandoned the principles of restoration and reverted to the divisiveness of early nineteenth century creedalism The shift in how Churches of Christ view doctrinal differences began in 1889 with the proclamation and publication of the Sand Creek Illinois Declaration by Daniel Sommer which he titled An Address and Declaration reversing the title of Thomas Campbell s Declaration and Address of 1809 This is a pre publication copy of The Essential W Carl Ketcherside The Ketcherside Collection of supporting documents referenced in the book has not yet been set up by the site administrator However documents referred to in the book as part of that collection may be found on Archive org listed individually by title [Twisted Scriptures](#) Mary Alice Chnalogar,1997 THE AUTHOR WITH THE GUIDANCE AND ASSISTANCE OF TWO DEDICATED THEOLOGIANS AND BIBLICAL SCHOLARS HAS WRITTEN A WORK DEFINING AN IMPORTANT AND CONTROVERSIAL ISSUE THAT CHRIST S MESSAGE IS SOMETIMES ABUSED AS A DEVICE TO GAIN PERSONAL POWER OVER OTHERS WHILE THEY MIGHT DIFFER IN THEOLOGICAL AND DENOMINATIONAL BACKGROUND THEY WERE IN AGREEMENT ON THIS TOPIC [Twisted Scriptures, by W. Edebe, PhD,2012-11 The book Your Women Did Prophecy documents evidence for biblical and historical precedent for women s participation in preaching and prophesying ministries It cites specific activities of women as recorded in the New Testament apocryphal writings and a selection of early church fathers that refer to the first two centuries The focus of the book is on the activity of women rather than on opinions expressed about the role of women This book uses the historical critical method of interpretation applied to ancient primary sources The attempt has been to view these sources in light of their contexts with comment from secondary sources It reflects upon preaching issues and practices of today as they grow out of the research The findings are of a rich heritage of women preachers within the Christian tradition To date the church has neglected this aspect of its history To the extent that the church includes women in the foundation of the teaching and preaching ministries the stronger and more balanced the structure of the church will be Clergy and laywomen particularly benefit from an inclusive church in that their own rootedness in the faith is strengthened by knowledge of these foremothers The whole church will benefit from this

knowledge as it will begin to see itself as growing in wholeness as reflected in creation Gen 1 27 The information contained in this book is suitable for studies in the local church It is also useful for preaching as it enlarges the church's concept of women in the scripture

When Love Is a Scam Peter Obiefuna, 2025-09-03 When Love Is a Scam is an eye-opening exploration of the hidden dynamics shaping love in romantic relationships family bonds and spiritual communities Peter Obiefuna challenges the widely held belief that love is always selfless and fair revealing how societal expectations and personal motives can quietly undermine relationships Through real life examples and thoughtful insights the book examines topics such as gender roles financial pressures in marriage and the complex influence of extended family and external support systems With a reflective and compassionate yet provocative approach the author invites readers to rethink what they've been taught about love and to redefine it as a space for mutual respect autonomy and growth Whether addressing the emotional burdens placed on men the societal expectations imposed on women or the unspoken power dynamics within extended family and spiritual institutions When Love Is a Scam empowers readers to set boundaries question ingrained norms and reclaim love on their own terms
