

Thomas Mann

Thomas Mann

Thomas Mann:

Stories of Three Decades Thomas Mann, 1936 *Mann: Two Stories* Thomas Mann, 1998-02-27 Thomas Mann Germany's most successful writer of prose fiction was born in 1875 and died in 1955. He was awarded the Nobel Prize for Literature in 1929. These two stories from Mann's middle period concern major problems facing Germany between the wars: the first deals with the chaos of economic, social, and moral values in the early twenties, and the second with the enslavement of a society by a fanatical and hypnotic dictator. In both pieces, Mann's moral values are delicately pointed by his omnipresent irony.

Buddenbrooks Thomas Mann, 2011-05-25 A Major Literary Event: a brilliant new translation of Thomas Mann's first great novel, one of the two for which he was awarded the Nobel Prize in literature in 1929. *Buddenbrooks* first published in Germany in 1900 when Mann was only twenty-five, has become a classic of modern literature: the story of four generations of a wealthy bourgeois family in northern Germany. With consummate skill, Mann draws a rounded picture of middle-class life: births and christenings, marriages, divorces, and deaths, successes and failures. These commonplace occurrences, intrinsically the same, vary slightly as they recur in each succeeding generation. Yet as the *Buddenbrooks* family eventually succumbs to the seductions of modernity—seductions that are at variance with its own traditions—its downfall becomes certain. In its immensity of scope, richness of detail, and fullness of humanity, *Buddenbrooks* surpasses all other modern family chronicles; it has indeed proved a model for most of them. Judged as the greatest of Mann's novels by some critics, it is ranked as among the greatest by all. Thomas Mann was awarded the Nobel Prize for literature in 1929. **Letters of Heinrich and Thomas Mann, 1900-1949** Thomas Mann, 1998 Presents the correspondence of Thomas and Heinrich Mann.

Thomas Mann Hermann Kurzke, 2002-09 Kurzke's book provides fresh and sometimes startling insights into both famous and little-known episodes in Mann's life and into his writing, the only realm in which he ever felt free. It shows how love, death, religion, and politics were not merely themes in *Buddenbrooks*, *The Magic Mountain*, but were woven into the fabric of his existence. 40 photos *The Magic Mountain* Thomas Mann, 1996-10-01 In this dizzyingly rich novel of ideas, Mann uses a sanatorium in the Swiss Alps as a community devoted exclusively to sickness as a microcosm for Europe, which in the years before 1914 was already exhibiting the first symptoms of its own terminal irrationality. *The Magic Mountain* is a monumental work of erudition and irony, sexual tension, and intellectual ferment—a book that pulses with life in the midst of death. **Mann: Tonio Kroger** Thomas Mann, 1998-01-01 A title in the Bristol Classical Press German Texts series, in German with English notes, vocabulary, and introduction. Thomas Mann (1875-1955) was awarded the Nobel Prize for literature in 1929, and Tonio Kroger occupies a central position in his spiritual and artistic development. A study of youth, it draws together many strands of his life and work: the duality of his parentage, his abhorrence of discipline, and the influence of Schopenhauer and Wagner on his early phase of writing. *Bashan and I* Thomas Mann, 2017-09-29 *Bashan and I* is the moving story of Thomas Mann's relationship with his spirited German short-haired pointer. From their first encounter at a local farm, Mann reveals how he slowly grows to love this

energetic loyal and intelligent animal Taking daily walks in the nearby parkland Mann begins to understand and appreciate Bashan as a living being witnessing his native delight in chasing rabbits deer and squirrels along with his careful investigations of stones fallen branches and clumps of wet leaves As their bond deepens Mann is led to contemplate Bashan s inner life and marvels at the ease with which his dog trusts him completely putting his life into his master s hands Over time the two develop a deep mutual understanding but for Mann there is always a sense of loss at never being able to enter the private world of his dear friend and he slowly becomes conscious of the eternal divide between mankind and the rest of nature Nonetheless the unique relationship quietly moves to the forefront of Mann s life and when master and companion are briefly separated Mann is taken aback by the depth of his loneliness without his dog It is this deep affection for another living creature that helps the writer to reach a newfound understanding of the nature of love in all its complexity First published in 1916 and translated into English in 1923 *Bashan and I* was heralded for its simple telling of how a dog became a priceless companion an animal who brought meaning to the author s life

Thomas Mann Donald A. Prater, 1995 This is the first up to date biography in English of Thomas Mann 1875 1955 perhaps the greatest German novelist of the twentieth century Mann was the author of several classics of modern European fiction including *Death in Venice* *The Magic Mountain* *Buddenbrooks* and *The Confessions of Felix Krull* Confidence Trickster the winner of the Nobel Prize for Literature and a staunch opponent of Nazism which eventually drove him into exile Celebrated biographer Donald Prater traces Mann s life and work from his upbringing in Lubeck through his years in Munich his exile in the US and his last years in Switzerland He discusses Mann s relationship with his novelist brother Heinrich his homosexuality his career as a prolific essayist and the vast achievement of his novels But the biography devotes particular attention to Mann s political thinking and his role in the rise and fall of Hitlerism In Mann s development from nationalistic conservatism to a vigorous humanist anti Nazism Prater sees a fascinating and crucially important illustration of the German problem still so much of relevance to the Europe of today Elegantly written and always entertaining *Thomas Mann A Life* will take its place as the major biography of Mann

Thomas Mann's Short Fiction Esther H. Lesér, 1989 Through a chronological examination of each piece of Thomas Mann s short fiction this sweeping study analyzes the continuous flow of Mann s work and thus traces his emotional and intellectual development It draws heavily on Mann s letters and diaries and reveals the relationship of his short fiction to his major novels

Thomas Mann's Addresses Delivered at the Library of Congress, 1942-1949 Thomas Mann, 2008-02-01 *The Countess of Rudolstadt* is the follow up volume to *Consuelo* and widely considered to be one of George Sand s finest works Translated from the French by Fayette Robinson

[Love and Enchantment](#) Thomas Mann, 2026-05-05 The greatest German novelist of the 20th century *Spectator* Three of Thomas Mann s most gorgeous subtle stories of love and conflict in sparkling new translations This triptych of stories represents some of the finest work by the great German master Thomas Mann His matchless understanding of character subtle ironies and layered plots are on full display in these

tales of innocence and experience the pain of individuality and the consolations and limitations of art Tonio Krüger is a classic story of the artist's formation infused with profound melancholy After early bruising experiences in love young Tonio retreats into an ideal world of literature believing that the artist must retain a distance from the lived experience of life Never quite able to shake his envy of those who seem able to enjoy the moment the older Tonio returns to his roots in search of resolution Alongside this great work are two stories that dramatize with profound understanding the conflicts and changes of Mann's time In *Disorder and Early Sorrow* the rush of new sexual freedoms upsets the stable order of older generations at a party during a time of social strain while *Mario and the Magician* recounts a family's ill-fated holiday in 1920s Italy where misunderstandings and bizarre performances reveal the sharp edge of nationalist fervor Translated with luminous clarity by Lesley Chamberlain Love and Enchantment offers an expansively beautiful selection of the work of one of the world's great writers

The Master of Contradictions Morten Høi Jensen, 2025-10-21 The arresting story of how Thomas Mann wrote *The Magic Mountain* as a defeated Germany descended into political chaos Like many writers of his generation Thomas Mann 1875-1955 welcomed the outbreak of the First World War He viewed it as a spiritual necessity a chance to reassert German cultural dominance over Western ideas of democracy and enlightenment Then in 1924 he published *The Magic Mountain* a massive novel that culminates in the slaughter of war and foreshadows the Nazi terror to come One of the central achievements of modernism *The Magic Mountain* bears testimony to its author's dramatic political reorientation as a defender of democracy This poignant book is a biography of Mann's great novel its evolution from a short story into a two-volume masterpiece and one of the bestselling novels of the Weimar era Deftly weaving together elements of biography history and literary criticism Morten Høi Jensen reveals how writing *The Magic Mountain* against a backdrop of world war revolution hyperinflation and rising right-wing terror moved Mann to embrace the democratic and humanistic ideas he once scorned One hundred years after *The Magic Mountain* was first published at a time when democratic ideas are again under threat Jensen reveals the universality and timeliness of Mann's great novel its still resonant debates over democracy and tyranny time and place illness and death

Death in Venice Thomas Mann, 2026-03-17 An atmospheric story of obsession and inner conflict set in the oppressive heat of a Venetian summer *Death in Venice* is considered to be one of Thomas Mann's greatest works Seized by the urge to travel revered German writer Gustav von Aschenbach books a stay in a hotel on Venice's Lido There in the oppressive summer heat he becomes intoxicated by the beauty of a young Polish boy who is on holiday with his family As Aschenbach's struggle between discipline and passion intensifies Venice itself falls into the grip of disease Despite the danger and decay around him Aschenbach is unable to leave *Death in Venice* is part of the Macmillan Collector's Library a series of stunning pocket-sized classics bound in cloth with gold-foiled edges and ribbon markers These beautiful books make perfect gifts or a treat for any book lover This edition is translated by Shaun Whiteside and features an introduction by Oxford University academic Karolina Watroba

Death in Venice and Other Stories Thomas

Mann,1988-09-01 This superb translation of *Death in Venice* and six other stories by Thomas Mann is a tour de force deserving to be the definitive text for English speaking readers These seven stories represent Mann s early writing career and a level of literary quality Mann himself despaired of ever again matching In these stories he began to grapple with themes that were to recur throughout his work In *Little Herr Friedemann* a character s carefully structured way of life is suddenly threatened by an unexpected sexual passion In *Gladius Dei* puritanical intellect clashes with beauty In *Tristan* Mann presents an ironic and comic account of the tension between an artist and bourgeois society All seven of these stories are accomplished and memorable but it is *Death in Venice* that truly forms the centerpiece of the collection The themes that Mann weaves through the shorter pieces come to a climax in this stunning novella one of the most hauntingly magnificent tales of art and self destruction ever written [Thomas Mann's World](#) Todd Curtis Kontje,2011 A comprehensive reevaluation of Thomas Mann [Death in Venice](#) Thomas Mann,1989-03-13 Eight complex stories illustrative of the author s belief that a story must tell itself highlighted by the high art style of the famous title novella [Southside Virginia Families](#) John Bennett Boddie,1966 The second volume of the set see Item 531 covers more families from the early counties of Virginia s Lower Tidewater and Southside regions With an index in excess of 10 000 names **Thomas Mann's The Magic Mountain** Hans Rudolf Vaegt,2008 This collection seeks to illustrate the ways in which Thomas Mann s 1924 novel *The Magic Mountain* has been newly construed by some of today s most astute readers in the field of Mann studies The essays many of which were written expressly for this volume comment on some of the familiar and inescapable topics of *Magic Mountain* scholarship including the questions of genre and ideology the philosophy of time and the ominous subjects of disease and medical practice Moreover this volume offers fresh approaches to the novel s underlying notions of masculinity to its embodiment of the cultural code of anti-Semitism and to its precarious relationship to the rival media of photography cinema and recorded sound [Little Herr Friedemann, and Other Stories](#) Thomas Mann,1972-01

Decoding **Thomas Mann**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
