Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer a fledgling area of study There is a great vitality in the field and it has matured dramatically over the past decade Reflecting changes to traditional approaches sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History This book provides a comprehensive guide to the international field of sports history as it has developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world's leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects

Negro Firsts in Sports A. S. "Doc" Young, 1963

The 100 Most Important Sporting Events in American History Lew Freedman, 2015-11-12 This engaging and informative work highlights the 100 biggest moments in the history of American sports illustrating powerful connections between sporting events and significant social issues of the time In this homage to sports history author Lew Freedman compiles athletic feats that caught fans off guard inspired awe and left viewers on the edge of their seats all while making an impression on the world at large Freedman ranks 100 of the greatest moments in sports reflecting on the dramatic impact of the events as well as their greater influence on American society of the time The work showcases the social historical and cultural background of memorable games teams and athletes highlighting the enduring value and importance of each selection An introduction discusses the history of sports and explains the criteria for choosing the 100 sporting events in the book Fascinating little known facts punctuate entries such as how the athletic accomplishments of Jackie Robinson and Joe Louis helped ease racial tensions in the United States why the passage of Title IX changed gender relations in the United States forever and which technologies have altered the way Americans view sport Content also traces the tremendous advancements of safety gear in sports from the batting helmet and catchers shin guards in baseball to the hardshell helmet and face guard in football to the face mask for goalies in hockey
