Spring Creek:

Spring Creek Nick Lyons, 2012-11-01 Spring Creek is everything a fishing book should be says Craig Nova It has the ability to convey the magic that always exists between somebody who loves fishing and a particular piece of water that endlessly lives up to its end of the bargain It has been called Lyons s masterpiece The river is one of those rare places where the trout are as long as your arm but also exceedingly difficult to catch Lyons explores its secrets and confronts its greatest challenges At first he catches little Then slowly he acquires the various and special skills and disciplines necessary to take the large wary brown trout of this extraordinary river Spring Creek is a memoir of halcyon days on a remarkable river and it draws a rare portrait of an angler actually learning to fish more wisely It is a richly humorous and perceptive account of an angler s passion for his spot and a book all fishermen will cherish Colorado Geographic Names Geological Survey (U.S.).
